

PRIVACY NOTICE

This Privacy Notice explains how La Vallee Village may collect, use, or disclose data when you use the "F.A.M.E." application (hereinafter the "Application").

In its activity, VR Services (hereinafter the "Company") propose the Application to users (hereinafter the "Users"). The Company is committed to protecting your privacy when you use the Application.

The Company is collecting anonymous data related to the use of the Application by the Users.

Commitment to Privacy

Concerned about protecting the privacy of Users and the processing of their personal data, the Company undertakes, as data controller, to comply with the provisions of Regulation (EU) No. 2016/679 of 27 April 2016, by ensuring the highest level of protection of its Users' personal data.

This Privacy Notice thus enables Users to benefit from complete transparency regarding the Company's processing of data relating to their use of the Application.

1. Who is responsible for processing data relating to use of the Application?

The data controller is VR SERVICES.

2. What are the data collected by the Company ?

No personal data is collected by the Application. The data collected is statistical data relating to the use of the Application.

3. When do we collect data?

When you use the Application, we may collect data related to your use of the Application. All data collected will remain anonymous in order to guarantee your privacy.

4. Why do we collect data ?

The Company may use data relating to Users' browsing of the Application in order to compile statistics on the use of the Application.

5. Is user data transferred to third parties by the data controller?

The data collected is processed by the Company. The Company may also subcontract certain data processing operations, in particular in connection with the maintenance and technical development of the Application or the implementation of algorithmic processes for the purpose of running the Application.

Within this framework, the Company undertakes to use subcontractors offering sufficient guarantees to implement the appropriate technical and organisational measures so that the data processing meets the legal and regulatory requirements on data and guarantees the protection of the rights of the persons concerned.

5. What this Privacy Notice does not apply to?

The Privacy Notice does not apply to other third party websites that you may reach through links on the Application. If you access other third party sites using the links provided, the operators of these sites may collect your personal data and use it for their own purposes or in accordance with any privacy policy they may have, which will differ from our Privacy Notice.

6. Does the Company use tags and tracking tools?

When the User uses the Application, no tracking tools or "cookies" and no unique identifiers are used by the Company.

If you have any questions about how we use data, please contact us at contact@lavallevillage.com.
