Specifications

Height: 44in / 111cm
Depth: 47in / 119cm
Width: 48in / 122cm
Weight: 60lb / 27kg
Max Wattage: 56w
Minimum Drop: 48in / 122cm
Shown with 3" - 5" mini-globes

Suspension: Ships with 36" or 72" stem cut to length on site
Canopy: Ø5" x 1.5" with hang straight
Materials: Machined brass, glass
Bulbs: 12V LED, G4, 1.2w, dimmable, 2700K, 110V or 220V transformer provided

UL, cUL (120V), CE, CB (240V) Certified

Inspiration

The Cherry Bomb collection, which debuted in 2014, was born of Lindsey's long-time obsession with the ephemerality of the spring-blossoming Japanese trees that line grand boulevards throughout the world. She has always been captivated by the achingly beautiful contrast between the short-lived whisper-pink flowers and the trees' dark gnarled limbs, which seem to have a profound story to tell.
