White Glass

Height: 22in / 56cm  
Depth: 17in / 43cm  
Width: 10in / 25cm  
Weight: 4lb / 2kg  
Max Wattage: 2w  
Minimum Drop: 23in / 58cm

Suspension: Brass hook, stem direct to canopy  
Canopy: Ø5" x H .25"  
Materials: Machined brass, glass  
Bulbs: G4|12V|1.2W|2700K LED, dimmable, transformer provided

Inspiration

The Catch collection conveys that fluidity with a poetic vividness. Its globes, each with a unique and organic gourd-like contour, seem to drip with a languid intelligence, sometimes caught in a slender lasso of shiny metal, gently squeezed around the middle to gleam ever more warmly; other times slumping slowly down a sculptural block of malachite, brass or marble.
