Specifications

Height: 42in / 107cm
 Depth: 41in / 104cm
 Width: 41in / 104cm
 Weight: 28lb / 13kg
 Max Wattage: 14w
 Minimum Drop: 35in / 89cm
 Shown with a mix of medium and large glass

Suspension: Brass hooks
 Canopy: Custom machined brass canopy
 Materials: Machined brass, glass
 Bulbs: G4|12V|1.2W|2700K LED, dimmable, transformer provided

Inspiration

The Catch collection conveys that fluidity with a poetic vividness. Its globes, each with a unique and organic gourd-like contour, seem to drip with a languid intelligence, sometimes caught in a slender lasso of shiny metal, gently squeezed around the middle to gleam ever more warmly; other times slumping slowly down a sculptural block of malachite, brass or marble.
