Specifications

Height: 80in / 203cm
Depth: 25in / 64cm
Width: 65in / 165cm
Weight: 40lb / 18kg
Max Wattage: 20w
Minimum Drop: 46in / 117cm
Shown with a mix of small, medium and large glass

Suspension: Brass hooks
Canopy: Custom machined brass canopy
Materials: Machined brass, glass
Bulbs: G4|12V|1.2W|2700K LED, dimmable, transformer provided

Inspiration

The Catch collection conveys that fluidity with a poetic vividness. Its globes, each with a unique and organic gourd-like contour, seem to drip with a languid intelligence, sometimes caught in a slender lasso of shiny metal, gently squeezed around the middle to gleam ever more warmly; other times slumping slowly down a sculptural block of malachite, brass or marble.
