Materials: Machined brass, unglazed porcelain
Bulbs: 24V|2W|2700K Integrated LED, dimmable, transformer provided

UL, cUL (120V) Certified

Inspiration

The Branching collection is the union of two seemingly disparate aesthetics - the industrial and the organic. The precise machined components contrast with handmade porcelain discs, made by Nymphenburg Porcelain, a 400+ year-old family-owned company based in Germany.
