

Black
White Glass

Finish Palette

Specifications

DIMENSIONS
 Height: 20in / 51cm
 Width: 42in / 107cm
 Depth: 31in / 79cm
 Minimum Drop: 23in / 58cm
 Weight: 25lb / 11kg

SUSPENSION
 Ships with 36in or 72in stem, can be cut to length on site

CANOPY
 Ø5in x H2in

MATERIALS
 Machined aluminum, mold-blown glass

BULBS
 G4 / 12v / 1.2w / 2700k / dimmable LED, transformer provided
 Maximum Fixture Wattage: 30w

 **UL**
 UL, cUL (120V)

Inspiration

The inspiration for this versatile lighting system came from the natural drape and growth patterns of the Burro's Tail plant. Each component of the spine is machined from solid aluminum and, when assembled, fully articulates within its self-regulated range of motion, creating a rational curvature. The glass shades are mold-blown and illuminated by warm LEDs. Designed by Karl Zahn for Lindsey Adelman Studio.
