BULBS

E26 / 110v / 6w / 2700k / dimmable LED globe
E27 / 220v / 6w / 2700k / dimmable LED globe
Maximum Fixture Wattage: 60w

UL, cUL (120V) Certified

Inspiration

Referencing vintage utilitarian clamps, our custom cast brass clamps are made modern by the addition of our own Studio markings. Our glassmaker blows directly into each one, then tightens the clamp on the molten material to fashion an armature, softening the tough industrial tool while celebrating its legacy.
