MATERIALS

Hammered bronze, machined brass

BULBS

E12 / 110v / 3w / 2700k / dimmable LED Globe
E14 / 220v / 3w / 2700k / dimmable LED Globe
Maximum Fixture Wattage: 40w

PLUG

110v North America 2-prong
220v C-type
Other plug types available by request

Inspiration

The Branching Disc collection continues to explore the union of the industrial and the organic. Precise machined components contrast with hammered bronze shades, hand-forged in East Hampton, New York by master metalsmith James DeMartis. James uses centuries-old techniques that create a beautiful, unique impression on each piece.
