

PORT FOLIO

2024

Introduction

Welcome to a visual odyssey showcasing the convergence of design and creativity. Our portfolio is a curated collection of Graphic Design, UI/UX Design, and Artworks, each piece a testament to the synergy of aesthetics and functionality. From compelling brand narratives in Graphic Design to seamless user experiences in UI/UX, and the unbridled imagination of Artworks, our portfolio is a celebration of innovation and visual storytelling. Join us as we navigate the dynamic landscapes of design, where every pixel has a purpose and every creation tells a unique story. Welcome to a world where form meets function and creativity knows no bounds.

About Us

LET THE FLOW SHAPE THE STATUE.

Levitate Studios is a project-based, end-to-end software development and design company located in Pondicherry, India. We're experts in website and mobile app development, UI/UX, product design, posters, logos, graphic works, animation, and other services based on art, design, and technologies.

Contact Us

Our Services

**STRIVE NOT TO BE A
SUCCESS BUT RATHER TO BE
OF VALUE.**

01. Graphic Design

Our graphic design services offer a creative and professional touch to visually communicate your brand, products, and messages. Whether you need a distinctive logo, eye-catching posters, engaging social media visuals, or captivating package designs, we have the expertise to transform your ideas into compelling visual assets. Our team of skilled designers is committed to delivering high-quality, unique, and customized designs that will leave a lasting impression on your target audience.

02. UI UX Design

We specialise in creating beautiful and smooth UI/UX designs that provide a better user experience by incorporating effective collaboration and streamlined projects which strive for better results

03. Art Works & 3D Modelling

Unlock your creative vision with our comprehensive artwork and 3D modeling services. Our skilled team of artists and 3D modelers specializes in turning your ideas into captivating and visually stunning creations. Whether you're an individual, a business, or an organization, we offer creative solutions for unique artwork and lifelike 3D designs tailored to your needs.

05. Web & App Development

Experience end-to-end software development excellence with our skilled designers. Using the flutter, we craft reliable and high-quality applications, be it cutting-edge mobile apps, dynamic web apps, or user-friendly websites. Prioritizing user experience, performance, and innovation, our team turns your vision into functional and tailored digital solutions.

06. Animation and video editing

Elevate your visuals with our animation and video editing services. Our expert team transforms your ideas into captivating and polished storytelling, offering creative solutions for engaging animations and professional video editing.

01

MEE INDUSTRIES

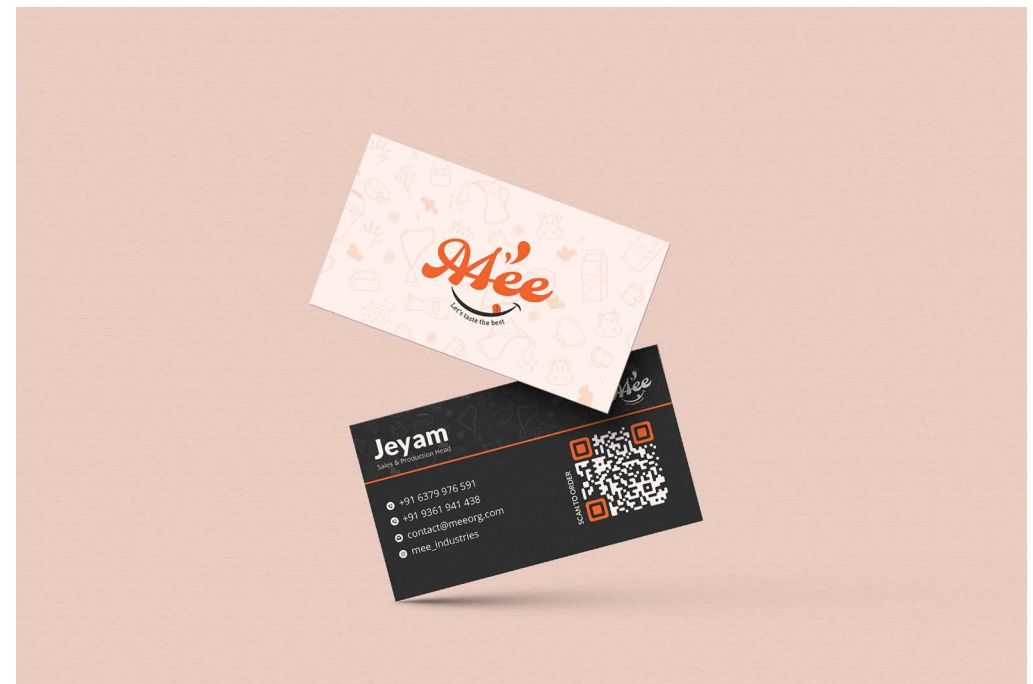

Dairy Farm

Mee Industries specializes in delivering premium raw cow milk directly to consumers doorsteps. Committed to providing the highest quality and freshest products, Mee Industries ensures that customers can enjoy pure, unadulterated cow milk conveniently at home. Their dedication to quality and doorstep delivery reflects a commitment to customer satisfaction and a passion for delivering wholesome dairy products.
