YOUR BUSINESS**

## Why LS Hub?

LS Hub is focused on helping financial professionals and individuals understand the life settlement option **BEFORE** lapsing their life insurance policy.

By providing **value-driven tools** agents & advisers deserve, **hierarchy management features** independent distributors need, and an **overall revolutionary approach** to the life settlement process, LS Hub is helping position organizations to be *the* life settlement partner their financial professionals turn to.

We look forward to working together incorporating life settlement into your business, offering top-notch implementation support, and providing continued service to ensure the success of LS Hub technology within your organization.

**Stephen Jass**

CEO, LS Hub

## Company Overview

LS Hub provides best-in-class, complete technology solutions that are revolutionizing the way life settlement cases are submitted, managed, underwritten, priced & closed. With the introduction of a fundamentally better approach to the process with the use of technology, there has never been a greater opportunity for participation in this growing industry than implementing LS Hub solutions.

### Executive Team

**Stephen Jass**, Chief Executive Officer  
[stephen@lshub.net](mailto:stephen@lshub.net) / (855) 547-7473 ext. 101

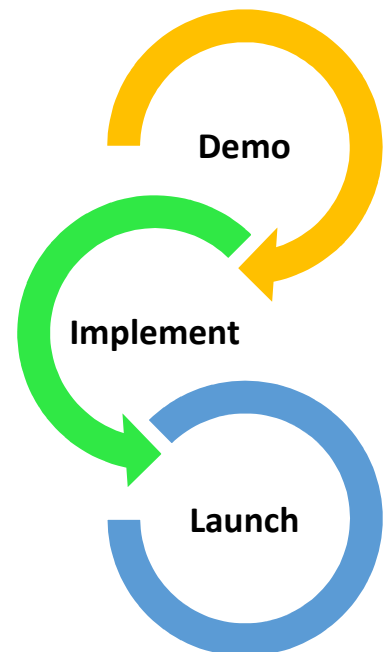

Over the past 8 years Stephen has managed a life settlement funding organization, a life insurance general agency and been a part of several technology startups. His extensive industry and regulatory knowledge paired with strong insurance industry, broker, funder & provider connections ensures each case is handled properly and the best offer is obtained.

**Nathan Jass**, Chief Technology Officer  
[nathan@lshub.net](mailto:nathan@lshub.net) / (855) 547-7473 ext. 103

As a full stack web developer with over 10 years of experience, Nathan brings a wide range of expertise to LS Hub. His commitment to the most advanced software development practices results in astonishingly fast development and clean implementations.
