

Operating review ´• one-pager

Jordan Avery Consulting ´• sample

Purpose â Forty minutes. Clinical honesty. One decision owner per topic. No slide theater.

Agenda skeleton â (1) Metric that moved. (2) Bet that is expensive this week. (3) Risk we are pretending is fine. (4) Ask / decide / park.

Rules â Cameras on for the first five minutes. Side chats get named. Parking lot is written, not forgotten.

Operating review • one-pager • continued

After • Same-day note with owners and dates. Next review starts from that note, not a new deck.

Sample document • Illustrates a downloadable consulting artifact on a business profile. Book time via the Calendly embed on this profile.
