

Privacy Policy

Last updated: June 2026

Haptic Pen ("the App") respects your privacy.

Information We Collect

The App does not collect, store, transmit, sell, or share any personal information.

The App does not require account creation or user registration.

Audio Recordings

If you choose to use audio recording features, recordings are processed locally on your device to generate haptic patterns.

Audio recordings are not uploaded to our servers and are not shared with third parties.

Haptic Patterns and Presets

Haptic patterns, presets, settings, and preferences are stored locally on your device.

You remain in control of any content created within the App.

Analytics

The App does not collect analytics, tracking data, advertising identifiers, or usage profiles.

Third-Party Services

The App does not use third-party advertising networks.

The App may rely on Apple-provided system services required for normal operation.

Data Sharing

We do not sell, rent, trade, or share your information with third parties.

Children's Privacy

The App is not directed toward children under the age of 13. We do not knowingly collect personal information from children.

Security

Because user data is stored locally on your device, you are responsible for maintaining the security of your device and backups.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected by updating the "Last updated" date above.
