Zadanie 1.

1.1.

Girl: Hi, mom! I'm calling to let you know that we've finally arrived. The way to the tennis camp was OK, although the coach was a bit old and slow. I'm unpacking my things right now. I'm sitting on my bed and it's really comfortable. In half an hour we will have our first tennis practice. I'll call you again in the evening.

1.2.

Girl: It's so hot today. I need to drink something cold.

Boy: I have an idea. Let's make some lemonade.

Girl: OK. What do we need? Lemons, of course...

Boy: There are three in the fridge. There are some strawberries here, too.

Girl: Yeah, we can add them as well. And we need something to sweeten it.

Boy: Oh dear! I'm afraid we've run out of sugar. But look, there's a jar of honey in the cupboard. Why don't we use it instead of sugar?

Girl: Great idea! And finally... lots of ice!

1.3.

Boy: Hi Melissa. Have you seen Mary anywhere? I have tried to call her a few times, but her phone is turned off.

Girl: That's because she's at work. She started yesterday.

Boy: Oh, right! I've forgotten about it. She works in a supermarket as a cashier, doesn't she?

Girl: No, she used to work there as a cleaner but she's changed jobs recently. She started working in a fast food place. The salary is better and the owner is a friend of hers.

1.4.

Boy: I live in Newquay. It's a small town on the Atlantic coast in the south of England. It has great beaches and is the best place to surf in the UK. There are lots of other things to do, apart from surfing. If you like water sports, you can go kayaking or water-skiing. If you like animals you can visit the Blue Reef Aquarium and see lots of different fish. Even sharks! There are lots of other attractions, too, such as mini golf and bowling. Come and see for yourself!

If you want to change the meeting time or book a new meeting, press nine and wait for a receptionist to pick up your call.

Zadanie 2.

2.1.

Boy: My favourite thing has to be my new tablet. It's really light and quite small, so I take it with me everywhere. It takes really good photos, and I play games and listen to music on it as well, of course. I often download films onto it and watch them in bed. My mum says I'm addicted, because I'm always on it. I even read the news on it at breakfast time. I'm not allowed to do that at dinner time, though.

2.2.

Girl: Does my cat count as a thing? Not really, but anyway. She's a really beautiful little cat. I've had her since she was four months old. She's really friendly and comes up to me as soon as I get home. She makes a lot of noise for such a tiny thing. She loves being stroked, and comes and curls up next to me when I'm on the sofa. She's great company.

2.3.

Boy: My new scooter's my favourite thing! It's quite small and just what I needed for getting around the city. I used to walk to school and it's quite a long walk. But now I can just ride there on my scooter. And there's no problem with parking, there's always some space for it. But you have to be careful with the cars – they don't always see you – and when it rains the road is terrible, it gets really slippery!

2.4.

Girl: This might sound old-fashioned, but my sewing machine is my favourite thing. I love making things, as well as designing them. I often buy second-hand clothes and then I adapt them to my size. If I don't become a designer, I'll set up my own business. Changing clothes, by taking things off and adding things on, is very creative, so I wouldn't mind that.

Zadanie 3.

Woman: Good morning, Brownton swimming pool.

Boy: Hello, I'd like some information about the water polo club.

Woman: Yes, of course. We have an under 16s club, an under 18s club and an adults club. How old are you?

Boy: I'm 15.

Woman: OK, so you want the under 16s club.

Boy: Yes, I suppose so.

Woman: Just a moment... yes, we have two places in the under 16s club.

Boy: When do they meet?

Woman: Let's see, the under 16s train two evenings a week, on Mondays, no sorry, on Tuesdays and Thursdays from 6:30 to 8:00 p.m. And matches are on Saturday mornings.

Boy: When does the course start?

Woman: It starts next week, on September the 2nd.

Boy: OK. And how much are the classes?

Woman: They are free if you're younger than eighteen.

Boy: Great! What do I have to do to join in?

Woman: You just have to come to us and complete a form. You need to bring an ID photo, too.

Boy: OK, thank you, see you then.
