Public Information Meeting

Route 114 Corridor Improvements - North Andover

Reminder!

Please join us for an upcoming In-Person Public Information Meeting to update the public on the status of the Route 114 corridor improvements between Waverly Road and Willow Street/Mill

Road, in North Andover, MA. The meeting will be held on Wednesday, May 6, 2026, at the Merrimack College Arcidi Center at 20 Rockridge Road in Andover, starting at 6:30 p.m.

The public is encouraged to attend this meeting to learn more about the project and provide feedback. MassDOT will review the project background, introduce the project's construction team, review the upcoming construction activities and schedule, and provide a public involvement overview. This event will include a formal presentation followed by an opportunity to ask questions and make comments. Public input will be reviewed and considered to the maximum extent possible. This meeting will be recorded and made available online for those who are unable to attend.

This project involves roadway safety, pedestrian and cyclist, and traffic signal improvements along the Route 114 corridor in North Andover.

The work includes the reconstruction of Route 114/Turnpike Street, and the replacement and addition of sidewalks, curb ramps, and shared-use paths, with connections to local streets, businesses, and Merrimack College. This project also includes improvements to roadway drainage, landscaping, hardscaping, and the relocation of utilities within the corridor.

Early work will begin on Monday, April 27, and will include the installation of construction signage and site preparation. Tree protection and removal, test pit excavation, demolition of four structures at the intersection of Route 114 and Hillside Road, and center median work are anticipated to begin as early as mid-May.
