SOLAR POWER PURCHASE AGREEMENT

1. INTRODUCTION

This Power Purchase Agreement (this "Power Purchase Agreement" or "PPA") is the agreement between you and Sunnova Energy Corporation (together with its successors and assigns, "Sunnova")

or "we"), covering the sale to you of the power produced by the solar panel system (the "System") described below. Sunnova agrees to sell to you, and you agree to buy from Sunnova, all of the power produced by the System on the terms and conditions

Agreement term

AGREEMENT BENEFITS & INSTALLATION PROCESS

- Rooftop Power and Sunnova will install a **8.075-kW** solar system on your home.
- Your system is estimated to produce **7,733 kilowatt hours** in the first year of service. **(Schedule A)**
- Your agreement includes your down payment of \$0.00.
- Your monthly payment will never increase by more than approximately **2.9 %** per year. **(Schedule A)**
- Rooftop Power will complete the design and engineering drawings for your system, and Sunnova will review the final design to ensure it meets our high-quality standards. **(Sec. 5(b))**
- Your system activation may experience delays as a result of the process for obtaining the necessary building permits and utility approval for net metering and interconnection of your system. Once your system is installed, it must still pass utility inspection before you can turn it on.
- You will receive a **10% discount** each month when you set up automatic payments from your checking or savings account (pricing above already reflects discount). **(Sec. 4(e))**
- You may renew this agreement for up to two successive five-year terms at the end of the original **25-year** term. **(Sec. 10)**
- If you sell your house, you may transfer the agreement and warranties to the new homeowner, provided that the new homeowner meets Sunnova's credit requirements. **(Sec. 11)**
- If you choose not to renew the agreement at the end of your **25-year** term, Sunnova will remove the system at no cost to you. Conditions apply. **(Sec. 17)**
- This agreement requires the parties to resolve their disputes by arbitration rather than by lawsuits in court; jury trials and class actions are not permitted **(Sec. 19)**
- Your agreement gives you a 7-day cancellation period without incurring any fees.
- Any savings estimate is dependent on the energy usage information you provided us and may change as your usage and utility rates change over time.
- Your solar system is covered by the **Limited Warranty** for the term of the agreement. **(Exhibit 2)**
- Once your system is turned on and operating, you will receive two monthly electricity bills: one from **National Grid - Massachusetts** and one from Sunnova.
- When the electric grid goes down, your solar power system will not work.

I have reviewed, understand and agree with the above agreement terms and process.

The pricing provided in this Easy Plan™ Power Purchase Agreement (PPA) is valid until **May 7, 2021**
