(Free) 6 of 7 review helpful For beginners Not for beginners By William Annis It s pretty hard to find any instructional material on gouache of any quality or style so I was excited to see a modern book by a non cartoony painter on the medium Unfortunately the book seems a bit conflicted with itself about who exactly the audience is The book devotes rather a lot of space to completely fundamental basics what i By Kevin Scully is a good writer who can understand the readers. The **Painting Still Life in Gouache** is one of the masterpiece that recommended by readers.
