Savannah St. Patrick's Day Parade

A VISIT WITH THE RANGERS

Dear Tony;

We just had the greatest trip to Savannah, Georgia --5 days, Saturday thru Wednesday including St. Patrick's Day. Maybe you will remember conversation at the Atlanta reunion about the 1st Bn. Ranger 75th Infantry participation in the Savannah St. Patrick's Day Parade. Well, a group of Marauders - Jim White, Lloyd Hackenberg & wife Cathy, Tom Raymond, myself & Barbara joined by good friend Lou Miksita, got together and went to Savannah for the Parade. We contacted Sgt. Major Jan Shalavan who was at both Boston and Atlanta Reunions. He is one fantastic Ranger. He arranged to meet us at the airport and put us up in Rangers' homes. A large group of Rangers & wives put on a cookout --steaks, ribs, chicken with all the trimmings. The weather even cooperated, sunny and in the 70's. All of us were treated to a tour of Savannah and Hunter Army Base.

The Rangers spent one day showing the Marauders what they can do -- wow you know that is a lot! They had laid on

Some light moments in the parade, the ladies of Savannah could not help but take advantage of that many good looking Rangers. Several ran out and kissed some of the Rangers, at least one girl got a good feel of a Ranger. Col. Williford also got kissed by an enthusiastic female. There were two movie stars in the parade, Barbara Eden and Patricia Neal. Also there were floats, officials, bands, and other Military Units, etc.. But no doubt about it, the Rangers were the Showpiece of the whole thing. After the parade, the atmosphere of Savannah is like Mardi Gras, much drinking and partying til all hours.

Our last day was taken up with good-byes and many of the Rangers telling us how much they would like to attend the reunion in St. Louis. 1st Sgt. Cayton announced that as of 8:00 A.M. Wednesday the 18th of March 1981, there is an official Merrill's Marauders Museum at Hunter Army Base. Sgt. Cayton will be in charge of the museum and wants all Marauders to have his address:

Dear Mr. Columbo:

I received your name and address from Leslie Flatt of Georgia. I was writing to him in answer to my letter in "Static Time" inquiring about my brother and he was kind enough to write to me; unfortunately he didn't really know my brother Joe personally.

My brother, PFC Joseph C. Hagerman, Jr. -32807411-Co. K, 3rd Bn., was killed on July 29, 1944 in the raid on Myitkyina. Unfortunately I was only 6 years old when this happened and both my parents died several years after him so I don't know too much about him. It's only been three years since I've discovered Joe was in the 5307th Prov. and I've tried to read everything about the

you knew him or know someone who may have been in Co. K, 3rd Bn, I really would appreciate any bit of info.

I've been out of the service myself for 22 years and I know faces and names tend to fade but just in case, I'm enclosing the only two photos I have of Joe to give you an idea of what he looked like. If it will help, he, like myself, was born in New York City. As far as I know, he left N.Y. to join the C.C.C. and wound up in Reno, Nevada, until the war broke out, came home for a short while and then joined the service. I am quite certain he was a part of the Galahad from the start and I have some V-mail with the 5307th APO address on it with some reference to his

I'm trying to locate a copy of the Govt. printing of the American Forces In Action series copy of MERRILL'S MARAUDERS. I've already obtained a book called "The Marauders" by C. Ogborne and I just finished "Stillwell's Command Problems." It's too bad Joe couldn't have made it for four more days.

My research is only to try to find out whatever I can about my brother and not really knowing him I'm sure I can be objective, and so if

in India.

Mr. Colombo, I don't know if I am making any sense to you, but anything at all will help me, as if you know any members of the Assn. that live anywhere near the San Francisco area, I'd be able to contact them personally.

I sincerely appreciate your help and the return of the enclosed photos.

Thank you,
Mike Hagerman

Secretary's Report

Tony Colombo

Due to inflation and my aim to service this organization within a reasonable budget, our Newsletter has taken a new form. It is now a newspaper to be printed quarterly. This issue contains the directory I agreed to furnish.

As you will notice, the manner in which the directory is displayed will help you to keep in touch with members in your locality. An attempt was made with the information available to identify your connection with the association. Hopefully this meets with your pleasure and will help toward the intent and purpose of the

organization.

Much of the appreciation for this effort goes to Sally Lyons for her labors of checking three separate lists that have been compiled in the few years that we have been incorporated. Corrections and changes will be made in succeeding issues.

My thanks to all of you for your support, with information and donations making it all possible.

I hope to have the opportunity to discuss this with all of you in St. Louis.

AH NARDE KOS,

jumping, but unfortunately, 50 mph winds washed out their trip.

I was asked by Capt. Stroker to speak to A Co. - about 150 men, on some of the experiences of the Marauders. The Marauders were treated to the R.I.P. (Ranger Indoctrination Program) and Rangers running the obstacle course by 1st Sgt. Cayton. Each Marauder was then presented with a mug that has the 75th Infantry insignia.

Cathy Hackenberg and Barbara were taken for the day -- shopping, sightseeing and to lunch by Col. Williford's wife Sara, 1st Sgt. Gefie Spenser's wife Milka, and 1st Sgt. Dalton's wife June.

Col. Williford and his wife joined a large group of Rangers, their wives and our group for a seafood dinner on the Riverfront. We closed the place after a great evening of eating, drinking, and swapping stories.

Now for the Parade -- four Rangers escorted us downtown and positioned us on one of the beautiful squares where we could have a good view. What a sight! !!! Approximately 400 Rangers in perfect form parading, then, stopped -- several minutes at attention in salute, not an eye to either side -- all weapons the same height. There is just no way to describe the way it makes you feel to see these great soldiers perform. Col. Williford led the parade and was everything you would expect of a Ranger Commander -- something else!

He will select items for display. Any Marauders that would like to send things for use' in their museum at Hunter can be sure it will be beautifully displayed and greatly appreciated. Any things that are duplicate or for some reason can't be used will be returned.

Also, Sgt. Cayton expressed great interest in our effort to get a Merrill's Marauders Commemorative stamp issued. He would like to be informed of what needs to be done - how best to help and promised the greatest effort on the part of the Rangers to make this stamp a reality. They would consider this stamp a great honor to the Rangers.

Lloyd and Cathy Hackenberg had very special reasons to enjoy their visit -- their 'boy' Tracy Shubert has been with the Rangers since just before Christmas. He is one great young man and seems to be doing a super job with the Rangers.

We were taken to the airport for the trip home with such a feeling of lifted spirits and enthusiasm from our contact with the Rangers. I wish all of you could have been there.

INCORPORATION ARTICLES

We have received indications that the membership is pleased with the new efforts being made to invigorate our organization.

The incorporation under the laws of the State of Arizona has provided us with many advantages: e.g. non-profit status providing lower mailing costs, membership

Arizona has provided us with many advantages: e.g. non-profit status providing lower mailing costs, membership tax benefits.

It should be noted that our Constitution" and By-Laws did not have the advice of Thomas Jefferson. We did provide for Robert's original guidelines: i.e. "Abide by the will of the majority, listen to the minority, consider one issue at a time, give everyone a chance to talk, assure that discussion is impersonal." But we also accepted as a fact that our document was not perfect and would necessarily be subject to change.

Specifically, Article X of the By-Laws provides: SECTION I - Amendments. These By-Laws may be

effective when a time is otherwise specified by the resolution of the membership adopting, repealing, amending, or modifying any particular By-Law."

One member wrote to us after the last Reunion to point out that a Resolution offered from the floor and subsequently passed attempted to by-pass a previously adopted Resolution. Another alert member recognized this and offered a corrective Resolution, also adopted, which reestablished financial authority in the elected officers.

It is appropriate to point out that the By-Laws provide that: "The affairs of the corporation shall be conducted by a Board of

position of responsibility in the association.' Since they are well known and come from different geographical areas, they are accessible to all members.

It is our belief that good organization requires that proposed Resolutions should be presented to a Director. He in turn will present a recommendation to the Board. The Board will discuss, amend or reject, if necessary, and in turn present desirable Resolutions to the Membership at the Annual Business Meeting. Past experience indicates that an expedited meeting is desirable. This is the way to accomplish that result.

If you ask me

by Eleanor Roosevelt
(Ladies Home Journal,
March 1944)

Q: Do you believe the bombing of Berlin from the air, with intent to destroy it, can be justified on moral grounds?

A: The Germans bombed other countries, and what they have done can be brought home to them only by forcing them to undergo the same suffering which they have inflicted on others.

There is little in Berlin which one can consider as belonging to the world as a whole. There were far more art treasures that should have been saved for the world in Spain, when the Germans and Italians bombed the cities there, and in London. Berlin has little "that can be considered a world heritage.

Perhaps nothing in war can be justified on moral grounds, because war in itself may be wrong from a moral standpoint; but when war is forced upon us, then the sooner the war comes to an end the better, and one way of bring the war to an end is to make a nation understand that what it has done is going to bring reprisals.

Q: Do you think Italian prisoners of war should be sent back to Italy to fight the Germans?

A: This is a military question and should be settled by the military authorities.
