

Metal Logger - Terms and Conditions

(Last updated September 11, 2023)

1. Acceptance of terms

This agreement ("Agreement") is entered into between Paul Vladut Preda, an individual ("Developer" or "Paul Vladut Preda"), and users of the Metal Logger application ("the App"). By downloading, installing, or using the Metal Logger application, you agree to be bound by the terms and conditions set forth below. If you do not agree to these terms, please do not use the App.

2. Purpose of the App

Metal Logger is designed to assist metal detectorists in recording and tracking their metal detecting sessions and finds.

3. Data storage and privacy

All data, including detecting session details and finds, as well as any other information, is stored locally on your device. No data is transmitted to external servers. We do not collect, process, or store any personal information through the App. For more detailed information about our data handling practices, please refer to our Privacy Policy.

4. Subscription plans

Metal Logger offers a free trial with limited resources (detecting sessions, finds, metal detectors, offline maps). Once the limit is reached, users are required to choose and pay for a subscription plan to access additional resources. Paid subscription plans are available and can be canceled at any time.

Metal Logger subscription plans:

- **Monthly plan:** This plan provides unlimited access to all the features and resources for a month.
- **Annual plan:** This plan offers unlimited access to all the features and resources for a year.

Both subscription plans remove any resource limits, allowing users to fully utilize the app's capabilities.

Subscription fees are billed to your Apple account upon confirmation of purchase. Subscriptions automatically renew unless auto-renew is turned off. You can manage

and cancel your subscriptions by going to your Account Settings on the App Store after purchase.

Price changes

Please note that subscription plan prices may change in the future. In such cases, you will be notified in advance and asked to agree to the new price or cancel the subscription.

Please refer to the App Store's terms and conditions for more information on subscription management.

5. User responsibilities

You are solely responsible for the accuracy and security of the data stored on your device through the use of the App. Metal Logger is not liable for any loss, damage, or corruption of data.

6. Intellectual property

Metal Logger, including all its features, content, and functionality, is owned by Paul Vladut Preda and is protected by intellectual property laws. You agree not to reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store, or transmit any of the material from our App, except as it is expressly allowed by us through some of the functionalities.

7. Limitation of liability

To the extent permitted by law, Paul Vladut Preda shall not be liable for any indirect, incidental, special, or consequential damages arising out of or in any way connected with the use of the App.

8. No warranty

Metal Logger is provided "as is" without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement.

9. Termination

Paul Vladut Preda reserves the right to terminate your access to the App at any time without notice or liability.

10. Changes to Terms and Conditions

Paul Vladut Preda reserves the right to modify or replace these Terms and Conditions at any time. Your continued use of the App after any such changes constitutes acceptance of the new terms.
