15. (a) Write down some of the properties of Tage

Oi

(b) What do you mean by Grouping?

PART C - (5 x 8 = 40 marks)

Answer ALL questions, choosing either (a) or (b).

Each answer should not exceed 600 words.

16. (a) What are the different web concepts available? Explain any two.

Or

- (b) Write the usage of TCP and UDP protocols in detail.
- 17. (a) How to create student Marksheet table in HTML?

Or

(b) What are the different tags used in Forms in HTML?

Page 5 Code No.: 20122 E

 (a) Give a brief not on operators and Functions available in Java Script.

(ie

- (b) Define and give a note on Java Script's Identifiers, keywords and expressions.
- (a) Illustrate Window and Document object in Java Script.

Or

- (b) What are the different types of methods available in Data and Math object in Java Script?
- 20. (a) What is cascading style sheet? How to implement External Style sheets in CSS?

Or

- (b) Write short notes on the following:
 - Pseudo classes and pseudo elements.
 - (ii) Element Dimensions. .
