

Halloween Achievements 2025

25th & 26th October 2024

#HA25 Will be the third official Pro Painted Studios event and we shall be using The General's Handbook 2025-26 with the addition of achievements!

Venue

Upwey & Broadway Memorial Hall, Victoria Avenue, Upwey, Weymouth DT3 5NG.

There is a car park on site and numerous hotels/guest houses within a 10-15 minute drive from the venue. There is no bar on site, so you will have to provide your own drinks (alcoholic & soft), however tea and coffee will be available free of charge. Lunch is provided in your ticket price (food options will be shared in early October).

- Your fully painted and based army, including Manifestations and faction terrain as appropriate
- The General's Handbook 2025-26

Painted Standards

Every player is expected to have a fully painted & based army on appropriate GW round bases, as per the official sizes.

3D Printed/alternative/Proxy models are very welcome, as long as they do not cause any confusion.

Terrain

Terrain will be provided for the event, and setup as per the General's Handbook. Players are very welcome to bring their own set of themed terrain, as long as it meets the General's Handbook requirements. Please message me if you would like to bring your own terrain.

Army Lists & Submission

Army lists are to be submitted on the day, these can simply be sent to me via email at: propaintedstudios@gmail.com or sent via a WhatsApp message. You may also print copies of your army lists, however this is not strongly encouraged in an effort to save waste.

In addition, due to the nature of the event and the option to score achievement points for display boards/entire Halloween armies there is an optional 1 month cut off for points changes. If your army is effected by points changes after the 25th September you may elect to use the points before this point.

Grudges

Grudges are strongly encouraged at #HA25. Check out the players in the WhatsApp and let the grudges fly!
