“ I love attending Miftaah classes, it is the highlight of my week. Arabic, Tafseer, and Hadith classes are always engaging and enjoyable, along with the other classes. It is an honor to have all the respectable Shuyuhk take the time to teach us, Insha Allah we are all forever grateful.

THESE PAST COUPLE OF YEARS IN THE MIFTAAH ASSOCIATE PROGRAM HAVE BEEN TRANSFORMATIONAL FOR ALL OF US. I LOOK FORWARD TO THE CLASSES EVERY WEEK AND BENEFIT IMMENSELY EACH TIME. THE TEACHERS ARE COMMITTED AND NEVER FAIL TO INSPIRE US TO GET CLOSER TO ALLAH (SWT). AS STUDENTS, WE'VE DEVELOPED BONDS ON THIS PATH OF KNOWLEDGE AND HOPE TO CONTINUE SEEKING IT THROUGHOUT OUR LIVES INSHA ALLAH!

NADIA SINAPH

3 YEAR GRADUATION TRACK

The Associate Program is a great way for Muslims to further understand Islam beyond Youtube videos. It is for beginners and advanced. From Arabic to Seerah to understanding the etiquettes of a student of knowledge, we strengthen our deen. And through surrounding ourselves with people who want to strive towards our deen, we strengthen our iman. I have always searched for a program like Miftaah's in Michigan, and being a part of the Associate Program has saved me.

Amerah Kassim: Year 1 Student

Alhamdulillah it has been an amazing experience thus far. I have been benefitting a lot. Would definitely recommend it to my other friends. This program was designed with the working adult in mind and it has made being able to commit to the program a lot easier!

Jihan Aiyash: Year 1

This was my first time experiencing a Miftaah class and it was an amazing experience. I've thoroughly enjoyed attending these classes & really appreciate the style of teaching. Been recommending it to everyone I know! I learned a lot. The topics were interesting, the instructors gave relatable examples/parallels to some topics to help understand.

Laiba Bhatti: Lite Student

My experience with this associate program is exceptional. This emphasized the value of the Quran and Hadith and its importance to encourage me to learn more and be in such an environment. I love Mufti Abdur Rehman's class and I feel Miftaah provides nutrition to my spirit.

Kamran Rafi: Year 3

It was absolutely beautiful from the environment to the teachers and lesson plans. Every time you go you just anticipate more and more for the next day. I enjoyed these courses as they were the basics. Moreover, the knowledge I gained from this course was remarkable.

They go in-depth when explaining a topic and take care to answer our questions to their best ability. The program consists of relevant and important topics and is the most affordable when compared to similar classes online. The way the program is structured and prepared, allows any busy individual to be able to attend. As a small business owner myself and a mother of 4, I would highly recommend it to anyone seeking to enrich and expand their knowledge of Islam.

The Miftaah scholars are truly inspiring and are well-grounded in their subjects. The learning management system is also very organized. I look forward to every class as a source of bringing something new into my life and becoming a better Muslim. Ever since then, my family and I have been benefiting from Miftaah conferences, as well as the Ramadan and Summer programs.

Yusra Hashmi- Lawrenceville, Georgia Miftaah Online Summer 2023

“
Miftaah Institute has done a wonderful job in creating such an organized online program that offers a well-rounded Islamic education that is so accessible to anyone seeking knowledge. The topics offered are all so vital to the average Muslim and I have benefited from each course I've taken so far, Alhamdulillah. The instructors also teach us how we can apply the material to our lives and use it to strengthen our deen and get closer to Allah SWT.

My experience with Miftaah's Arabic 101 course was amazing. When I started the Quran Ascension Program, I did not realize how much knowledge I would have gained by it. My instructor Sister Maysaa is very thorough and she constantly reviews all the content. She is a very dedicated instructor and she takes her time and explains everything. She also cares very much about her students and how much we are remembering. I am very grateful to MIftaah for providing this program.

We really liked the combination of reading the Quran and the Hadith or Duaa. We got into a habit of talking about the new Hadith and how it can be related to our lives. My daughter loves her class as she is able to connect with other Muslim kids!

My experience is great. I am learning the basics of Tajweed, I find the topic interesting. I can take a professional tajweed class sitting in my house, at a time that is suitable for me. My instructor Shaykh Hassan is a well-trained professional teacher. He has a lot of patience for the beginner students. May Allah reward him and his management for their great work.

The best of stories is narrated ever so beautifully where Prophet Yusuf (AS)'s life is constantly connected with that of the life of our beloved Prophet Muhammad (SAW) and insights provided on some of those connections in the world we live in today. It was an absolutely emotional, moving and inspiring seminar. I feel so blessed to be able to attend. Alhamdulillah! Absolutely lovely! Highly recommended!

I honestly cannot put into words how amazing this event was! I traveled about 4 hours to get to this event, but the energy there was too much and my tiredness disappeared. It was such an emotionally and spiritually invigorating experience. Learned a lot and took back so much knowledge and a renewed my passion for my deen. SubhanAllah what an awesome evening.

I would recommend this conference to anyone! So many speakers to listen to and a wide selection of topics that were talked about. Food selection was lovely as well and the organization of the event was well done.

You come empty handed but leave with a heart full of sukoon. If you get a chance to attend one of these events, then run towards it. Even if you don't know all the speakers. That's the other amazing thing about Miftaah- they are collaborative in their approach to teaching Islam and never segregate one institution of learning from the other. Miftaah in fact is the first organization that has sought to bring speakers from so many different institutions together on a single platform, with Islam being the Centerpoint of it all- the way it should be.

ALHAMDULILLAH, THE ASSOCIATE PROGRAM AT MIFTAAH HAS BEEN EXCELLENT. I LOVE THAT MIFTAAH HAS THEIR OWN COMPILED BOOKS WHICH MAKES IT EASIER FOR THE STUDENT TO UNDERSTAND AND LEARN BASED ON THEIR EXPERIENCE LEVEL. THE TEACHERS AT MIFTAAH ARE VERY SPECIAL AND AMONGST THE BEST. THEY ARE EXTREMELY UNDERSTANDING, KIND, AND DEVOTED TO THE PROGRAM.

“

The Ramadhan Immersion program is a great way to learn about and stay connected with the deen. There are a wide range of topics and the way it's taught is easy to follow with pre-made notes to jot down for later reminders. I am excited to continue my learning journey with other programs at Miftaah Online!

The Juz by Juz from Miftaah was one of the highlights of my Ramadan last year! Love how the quality of your content is becoming more beautiful.

One of my Ramadan goals was to develop a connection with the Quran. I watched "Moments with the Quran" for the first time this year and I would recommend it to everyone! Hearing the Miftaah students recite Quran at the start of some of the programs was such a blessing. The Ramadan Immersion course, Affected by the Quran, with Sheikh Abdullah was a wonderful compliment to that video series. Jazak'Allah Khair.
