Subject: RE: Bo Kaap Development Erf173339

Good Day Mr Rajah

As per the attached, work had commenced on site IN 2019 and the plans “have been acted on”.

I had communicated with Aneesa that reasonable progress needed to be achieved.
With the attached, we accepted the delays on the construction, but need to be assured that good progress will be made.

Currently the above application is still live and work may continue on site.

Please note, any deviations to this application will require several applications due to the implementation of the HPOZ in the Law for the BO-Kaap Area.

Regards

Evan Solomons

Designation: Principal Building Inspector, Media City – Table Bay District
Building Development Management
Spatial Planning and Environment Directorate

From 1 July 2019, land use and building applications may only be submitted via the City's e-Services portal. Register as a business partner before 1 July 2019 to submit your application via e-Services and track its progress.
