(Mobile library) 1 of 1 review helpful A Good Read for Commercial Interior Designers By Sarah Sherter This is the

best book I ve read on starting a design business As an interior designer that has been working on commercial projects for the last 18 years and in the planning stages of making a transition to entrepreneur I found this book to be a much better fit for me than most Most interior design advice for start ups are geared towards **How to Start and Operate Your Own Design Firm: A Guide for Interior Designers and Architects, Second Edition** is my first book that I read. This is a wonderful books title:How to Start and Operate Your Own Design Firm: A Guide for Interior Designers and Architects, Second Edition I ever had. It makes a wonderful experience at the beginning when I get used to using my spare time to read books. You also have to feel this wonderful experience.
