(Free) 1 of 1 review helpful What a nifty little book By Markus Egger When I got the book I was first taken aback by how small it was and how short some of the items were Sometimes a page is just a sentence long But then I discovered that this is the strength of this book To paraphrase Mark Twain Someone sat down to write a shorter book You can read through this quickly in on sitting or just take a look at a topic at a Many thanks to the Sophia who told me a lot about this books title:Architecture 101: From Frank Gehry to Ziggurats, an Essential Guide to Building Styles and

Materials (Adams 101). Until I was interested to read it. **Architecture 101: From Frank Gehry to Ziggurats, an Essential Guide to Building Styles and Materials (Adams 101)** has meaningful and a valuable lesson.
