

# FUNDRAISING REPORT

*A document outlining funds raised by GreenLab Microfactory NG.*

THANK  
YOU!

For the support towards acquisition of 3D Printers for GreenLab Microfactory, Nigeria.

## INTRODUCTION

In a bid to appreciate a long list of people who generously supported the Fundraising campaign of GreenLab Microfactory Nigeria towards the acquisition of some 3D Printers for its projects. This short document is therefore written to provide transparency about the campaign, detailing the total amount raised, and tallying it with how the funds were disbursed.

The target of the fundraising campaign was **2000 Euro** but through your generous donations we were able to raise **2130 Euro** in total.

## Campaign Overview

TOTAL FUND TARGET	<b>2000 EURO</b>
OFFLINE DONATIONS	1570 EURO
ONLINE DONATIONS (GoFundMe)	560 EURO
TOTAL FUNDS RECEIVED	2130 EURO
Amount Spent	1904,04 EURO

## BREAKDOWN

Owing to the contributions of all donors we have successfully acquired 2 RepRap Prusa 3D Printers for the Lab and 2 Mini 3D Printers for our TICK STEM educational outreach. This also covered the shipping fee and custom duties of two of the printers to Nigeria.

In addition, we intend to use the balance of 225,96 Euro to fund some of our projects, such as the printing of our new Carto oino Project Book, and also to procure additional components such as end mills for our Mini milling machine, soldering Iron, etcetera.

Below is the breakdown of the donation generated during the crowdfunding campaign;

## COVID-19 NOTICE

Initially, we planned to assemble these printers during ‘Itesiwaju Social Challenge’, which was supposed to have been held from the 16th to 22nd of March. However, due to the outbreak of the Coronavirus, we decided to shift the developmental workshop until further notice, considering the wellbeing of everyone involved in the company’s projects.

The progress of our organization can be tracked on the following channels:

## CONCLUSION

We sincerely appreciate everyone who contributed towards the realisation of this Crowdfunding campaign. That is, to all those who contributed via the crowdfunding platform (GoFundMe), those who contributed offline, and those who helped distribute the information about the campaign, we indeed say a very big THANK YOU!

From

GreenLab Microfactory Nigeria.
