(Free) 1 of 1 review helpful What a Visionary By Boots So glad Paul Newman decided to make salad dressing and popcorn and spaghetti sauce So glad he decided to donate the profits from his very successful company to set up camps for terminally ill children So glad he didn't write a business plan but went with his instincts to achieve his goal And so glad he did it with his good friend AE Hotchner This is a very inspiring book I thank you **Shameless Exploitation in Pursuit of the Common Good: The Madcap Business Adventure by the Truly Oddest Couple**
