

Mogale Andries Moseri

PROFILE

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new Programming languages, development techniques and other IT skills are important to me and the success of your organization. I have excellent communication skills and best at addressing clients. I have the best team spirit and very proactive. I have developed excellent interpersonal skills because of a broad range of team work experience settings and tasks. Additionally, I have become very adaptable, and can learn new tasks quickly, and enjoy taking on new responsibilities. Practical and work experience I gained at Cell C and Athro technology, together with the short courses and programs has taught me the importance of performing routine tasks with consistency and accuracy,
