ABOUT OUR COMPANY

We are an ambitious and classified national real estate development company established in 2009 in Medina and extended to include the largest cities in the Kingdom.

We offer a wide range of comprehensive real estate services, construction services, and facility management in the field of residential real estate development in all its forms.

The company has achieved great distinction in real estate development, through a real estate approach and a correct concept, by building various urban projects, which qualified it to be one of the leading developers in this field at the level of the Kingdom.

VISION & MESSAGE

Vision

-  To be a leading real estate company in providing real estate services, and able to achieve the highest levels of customer satisfaction.
-  To be pioneers in the field of maintenance and operation and to use the latest international and local expertise in providing the best services to customers.
-  Excellence and creativity in the development of residential buildings in all its forms in the Kingdom.

Message

-  We provide real estate development services in an integrated manner, with high professionalism, combining experience and ambition, and we deal with the client as a success partner
-  Providing the latest expertise in the field of facilities management and maintenance
-  Pioneering participation in the development of the housing industry in the Kingdom of Saudi Arabia

OUR GOALS

Building a distinct brand by establishing strategic and effective partnerships with engineering offices, contractors, and suppliers of building materials.

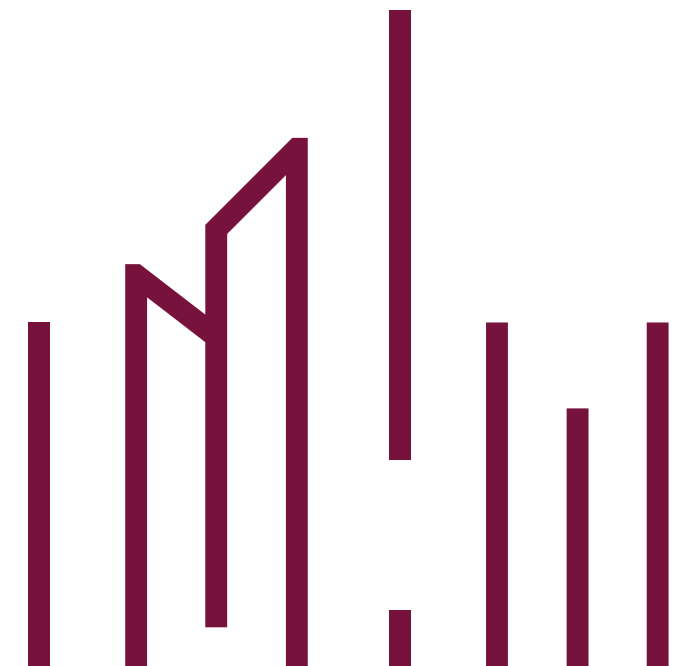

Establishing and operating a continuous production line for residential projects, alongside creating an investment fund with our partners in land, real estate, and development.

Expanding our partnership circle to include the largest real estate development and investment companies in the Kingdom.

Achieving the goal of the project at the lowest cost, the highest quality, and the most appropriate time to maintain customer satisfaction.

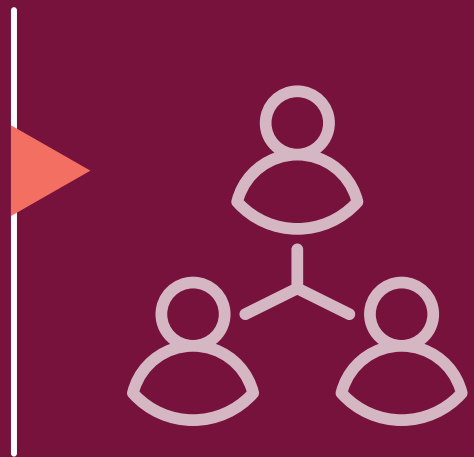

OUR VALUES

-  Partnership
-  Innovation & creativity
-  Passion
-  Transparency
-  honesty

OUR EXPERIENCES

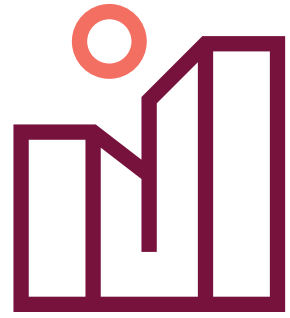

Nmaa Almudun has an extensive experience and reputation from being a company that can complete construction projects of a delicate and complex nature, including electrical and mechanical works. Nmaa Almudun is one of the leading Saudi companies specializing in the work of contracting in various disciplines, we started strongly in 2009, based on a strong experience and creative intellectual and powerful human energies. We have achieved an impressive successes and we are still achieving which created our competitive position in the market

We pride ourselves on the success and diversity of our construction projects. From educational facilities through to commercial/residential constructions, we understand the importance of the specific requirements of each of these projects and their clients and strive to achieve above and beyond expectation.

We endeavor to accommodate all client requirements on the numerous projects we undertake. and we program these considerations into the construction sequence to enable the project to reach practical completion within the agreed time and budget parameters.
