the world through little eyes:
discovering, learning,
and growing together!

MESSAGE

*World at times portrays to be a storm of problems and pain,
Behind that portrayal, there is treasure trove of happiness and gain,
Unlock this treasure, for the keys always lie within you.*

The current age is characterized transformations in the realm of education, with innovative approaches redefining the learning experience for students. The onus is on the teaching fraternity to give prolific meaning to education and equip the children with such skills that provide them with the opportunities where they can fulfill their vision for the future. The school plays a pivotal role in imbibing values, virtues, wisdom and integrity in the students in their blooming years. We need to recognise, appreciate, applaud and nurture the fine blend of sensibilities in a child and thus these rose buds would blossom to add more vibrant colours to an eye catching canvas.

*Passion is the internal drive that makes you go
fervently in pursuit of your goals. Focus on your goals
and you will do incredible things. Be persistent in
your goal and success will be yours.*

Each of us thrives on being successful and in doing so we often forget the trials and tribulations lying in the path of success. It isn't a one-way path or a straight line. It is a muddled road with various ups and downs, and one should navigate it with utmost care. Surrendering before the challenges is not the virtue of a hero. If you truly want something, you must gear up to take every stumbling block as a new step to reach a higher pedestal. All it takes is one "yes" for your dreams to become a reality. It's all about setting highest priority to the most important goal. It's easy to get distracted which leads to failure.

**Hold fast to dreams, for if dreams die,
Life is a broken winged bird, that can not fly.**

mps Sanskriti "शिक्षा के साथ संस्कारों का समन्वय"

ECMS's long history is intrinsically linked with the development of its mission- "Imparting value-based education that helps create independent, free thinking individuals who will combine service with excellence". Through the past 96 years ECMS has nurtured the talents of young scholars to suit the dynamic education system. Along the way, ECMS has built an enviable reputation as a hub for transfer of knowledge, a pioneer of innovation and an exemplary provider of valuable services in the community. Our teams of professional educators are dedicated to helping each student attain his or her maximum potential, both academically and socially. We at MPS Kalwar dream big to help the students reach greater heights and move on from strength to strength in the years to come. Former Indian President Abdul J. Kalam once said: "Winners are not those who never fail but those who never quit".

Shri Ashok Kumar Malu
Hon. Secretary

In the words of Oscar Wilde, "The aim of life is self-development to realize one's nature perfectly." Over the years, we at ECMS, have realized that if the fertile soil of the mind is enriched with the values of love, kindness and patience the saplings of good education and character will grow into strong trees and bear good fruits. We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at an accelerated rate and hence we at MPS, Kalwar Road work at implementing a well-balanced curriculum. We fortunately have a committed and supportive management, dedicated teachers, caring and co-operative parents, which blend harmoniously to create a child-centric school, at MPS Kalwar Road. It is natural to find in this ambience, the intensive use of a variety of thinking activities, strategies and group dynamics so that the classrooms become alive

Ms. Rita P. Taneja
Principal

It was rightly said that "Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations. The early years are precious years. The brain of a child grows at a very fast pace and each child has a unique qualities and as an educator it is our responsibilities to provide an early learner with a multi-disciplinary environment and opportunity to express through a carefully planned curriculum. We at Sanskriti try to make learning an exciting part of growing. The first five years of a child's life are for exploring creativity. They need to be provided with a constructive and holistic learning environment. Our dedicated and supportive team work tirelessly to ensure to nurture and develop every learner in the best of their abilities. Our aim is to help children to become independent, responsible, caring and confident learner.
