# Exploring

the world through little eyes:  
discovering, learning,  
and growing together!

## MESSAGE

*World at time portrays to be a storm of problems and pain,  
Behind that portrayal, there is treasure trove of happiness and gain,  
Unlock this treasure, for the keys always lie within you.*

The current age is characterized transformations in the realm of education, with innovative approaches redefining the learning experience for students. The onus is on the teaching fraternity to give prolific meaning to education and equip the children with such skills that provide them with the opportunities where they can fulfill their vision for the future. The school plays a pivotal role in imbibing values, virtues, wisdom and integrity in the students in their blooming years. We need to recognise, appreciate, applaud and nurture the fine blend of sensibilities in a child and thus these rose buds would blossom to add more vibrant colours to an eye catching canvas.

*Passion is the internal drive that makes you go  
fervently in pursuit of your goals. Focus on your goals  
and you will do incredible things. Be persistent in  
your goal and success will be yours.*

Each of us thrives on being successful and in doing so we often forget the trials and tribulations lying in the path of success. It isn't a one-way path or a straight line. It is a muddled road with various ups and downs, and one should navigate it with utmost care. Surrendering before the challenges is not the virtue of a hero. If you truly want something, you must gear up to take every stumbling block as a new step to reach a higher pedestal. All it takes is one "yes" for your dreams to become a reality. It's all about setting highest priority to the most important goal. It's easy to get distracted which leads to failure.

**Hold fast to dreams, for if dreams die,  
Life is a broken winged bird, that can not fly.**

mps Sanskriti "शिक्षा के साथ संस्कारों का समन्वय"

"It takes a big heart to shape little minds."

mps Sanskriti, Tilak Nagar strongly believes that learning is a continuous process. Each child is special and is given an opportunity to learn in a play way method, and this is how we, at mps Sanskriti, Tilak Nagar nurtures the little ones. THE BUILDING BLOCKS OF OUR NATION – The children are nurtured here with love and tender care to blossom into beautiful flowers. mps Sanskriti offers excellent environment for learning and fun for toddlers.

We provide Kindergarten and Montessori learning methods that contribute to the student's overall development, including cognitive, emotional, social, moral, psychomotor, and aesthetic development, as well as the acquisition of life skills, appropriate attitudes, and values. Our talented faculty fosters a supportive environment in which children feel comfortable interacting with others and expressing themselves. Parents, students and the school authorities are a team and complimenting each other's efforts.

A child is not a vase to be filled but a fire to be lit'

We believe that the early years of a child's journey is a magical time of discovery and wonder, and it is our joyous responsibility to cultivate a nurturing environment that sets the stage for a lifelong love of learning.

At Sanskriti we create an environment where every child feels valued, cherished and empowered to embrace the joys of education. We believe in providing our students the roots and wings they need to succeed in life, while loving parents offer the roots, we aim to provide the wings that will help our students to soar to new heights.

The ultimate goal of Sanskriti is to fill the lives of our tiny tots with laughter, growth and the boundless possibilities that come with the early years of education.

MPS Sanskriti, Tilak Nagar, add colours to your child's dream. We strive to make education more creative and enjoyable for the little ones. With a new perspective and innovative technology, the school provides world class facilities to the tiny tots.

"Our mission is to create an educational environment where children can explore their creativity and nurture social development skills while having fun in a small group of their peers."

Every child is unique and we understand their individual needs and that is the reason we focus on the overall development through Holistic Approach. Children learn through hands on doing and thus we provide them more of practical learning experience on day-to-day basis.

With a fleet of dedicated and trained staff, the school tries to enhance the art of living and promote life skills among the little champs.

**INFRASTRUCTURE**  
**Globally Benchmarked**  
**Facilities:**

- Interactive teaching learning process.
- Air conditioned classrooms.
- Incorporation of technology in classes.
- Round the clock CCTV surveillance.
- Safe, clean and hygienic environment.

**FUN ZONE**

Fun Zones are essential safe spaces where children can be themselves and express their fun-loving nature. Popular playground equipment like slides, swings, climbers and other equipment helps kids develop their agility, speed, strength, balance and coordination. When kids see exercising as an enjoyable experience that builds strength, it encourages them to remain active as they get older.

**ACTIVITY ROOM**

Activity Room is designed to give kids stage exposure through different activities. We

take consistent steps to deal with stage fear and replace it with confidence and reliance. Through our activities that discover stage exposure, we let our children embrace a spirit to go up on stage, be themselves and own it with their innocence. We give our students a platform to creatively express and explore their talents

**MONTESSORI ROOM**

The Montessori approach is inherently child-centred and looks to encourage healthy child development without pressure or restrictions. Building a Montessori room will help children to establish independence and autonomy, develop spatial awareness, understand physical boundaries, build self-discipline

**PLAYGROUND**

Play improves the cognitive, physical, social and emotional well being of children. Children experience freedom when they play outside. Outdoor play is a natural way for children of all ages to do physical activity. It's good for children's health and well being to be physically active through open play in the vast playground.
