## Message by General Secretary Education

*" Learning is not attained by chance, it must be sought for with ardor and attended to with diligence. - Abigail Adams"*

The concept of education has changed in a big and seemingly unmanageable way in the recent time. Man's adherence to and rejection of certain practices have thrown up new challenges. Today education has opened new vistas. An ant can carry 50 times its own body weight and pull 30 times its weight. Drawing inspiration from this amazing fact, we can surely aspire to counter challenges for greater than what we think we can handle. But putting our hearts into what we do and leveraging all our strengths, we can amplify our energy levels dramatically.

"To deliver the optimal, to achieve the maximum and to aim the highest." Certainly, to be an achiever, you have to be a believer first. Ants work, none to supervise, none to direct or co-ordinate, yet they work in unison. They are self starters, they are not strong and powerful. But they make up for their diminutive structure by sheer hard work, dedication, discipline and perseverance. We too should make up our deficiencies, if any, by becoming more firm, focused, task oriented, dedicated, organized, disciplined, committed and co-ordinated. At MPS our attempt is to encourage the formation of the ideas and develop creative thoughts. Children are given enough exposure to enrich their knowledge and spread their wings of imagination to excel in all fields. It is endeavour of our school to create the best possible learning environment towards achieving excellence in academics and other fields with global perspective

We strive to teach our young ones how to succeed in today's competitive world, without losing values and discipline. We believe that our real education should open one's mind to a constant process of learning because human beings should never cease to learn and imbibing this in the students leads to real education.

**Education is the kindling of a flame, not the filling of a vessel. – Socrates**

## From the desk of School Secretary

As we proudly present the Annual School Magazine, **Spectrum 2024**, it is with great joy and reflection that I address you. Our journey has been marked by continuous progress and adaptation. Education, once confined to rote memorization, has evolved into a holistic experience that emphasizes critical thinking, creativity, and emotional growth. We have embraced technology and innovative teaching methods, ensuring that our students are well-equipped to face the challenges of the future.

Reflecting on the memories created at MPS Kalwar Road, it's heartwarming to think of the many milestones our students have achieved. From the exhilaration of annual sports day victories to the creative flair showcased in our annual cultural fest, these moments are etched in the memories of our students. It is in these shared experiences that the true essence of school life shines brightly, forming bonds and creating lasting friendships.

As you navigate your academic journey, remember that the experiences and knowledge you gain today are the foundation of your future successes.

In the words of the renowned author and motivational speaker, Ralph Waldo Emerson, *"The only way to have a friend is to be one."* Similarly, *the only way to achieve excellence is to strive for it with dedication and perseverance.*

May this edition of Spectrum inspire you to continue your pursuit of knowledge with passion and confidence. Here's to many more years of growth, learning, and unforgettable memories.

## Message by Treasurer

*"To accomplish great things, we must not only act, but also dream; not only plan, but also believe."* –Anatole France

From humble beginning to the present day, our approach to education has transformed significantly. What started as a simple endeavor to provide basic learning opportunities has now blossomed into a dynamic environment that fosters holistic development. Today, we embrace innovative teaching methods, integrated technology and emphasize the importance of critical thinking and emotional intelligence.

Through diligent budgeting and strategic investment, we have fortified the foundation of educational programs to make quality education, available to masses in nominal amount.

Managing the financial resources of our institution is a responsibility that I take very seriously. It is our priority to ensure that every rupee is spent wisely, contributing to the overall growth and development of our students and the enhancement of our facilities. Through careful planning and prudent management, we strive to provide the best possible educational environment for our children.

It is the legacy of ECMS to look ahead, we remain committed to invest in quality education and innovative programs that prepare our students for the future. We believe in fostering a community of learners who are not only academically proficient but also morally strong and socially responsible.

Thank you for being a part of this journey. Let us continue to work together to make MPS Kalwar a place of pride and excellence.

# From Principal's Pen

*" Learning is not attained by chance, it must be sought for with ardor and attended to with diligence."*

Dear Students & Parents,

As we reflect the academic year gone by, I am reminded of the importance of instilling essential qualities in our students to ensure their success and well-being. At MPS Kalwar Road we strive to nurture emotionally intelligent, empathetic, and integrity-driven individuals.

Emotional intelligence is vital in today's fast-paced, interconnected world. It enables individuals to navigate complex relationships, manage emotions, and make informed decisions. We encourage students to develop self-awareness and effective communication skills. Empathy is a landmark of emotional intelligence, fosters compassion, understanding, and unity. By walking in others' shoes, our students develop a deeper appreciation for diverse perspectives and cultures.

Integrity empowers students to stand by their values and principles. Self-discipline, critical thinking, and problem-solving skills are equally crucial, enabling students to set goals, prioritize tasks, analyze information, and approach challenges with creativity and resourcefulness.

To cultivate these qualities, we integrate social-emotional learning into our curriculum, encourage peer mentoring, group projects, and community service, and provide opportunities for leadership, and public speaking. We foster a growth mindset, emphasizing effort and resilience.

I urge our students to practise empathy and kindness towards others, uphold integrity in all aspects of life, develop self-discipline and time management skills, and engage in critical thinking and problem-solving.

To our teachers and parents, I express gratitude for your tireless support. Together, we shape the next generation of leaders, equipped with the qualities necessary to succeed.

Let us continue to prioritize these essential qualities, empowering our students to become confident, compassionate, and future ready citizens, responsible and reflective learners, and active contributors to our community.

**Happy Learning !**

**Best wishes for the session ahead.**

## Visit to Raj Bhawan

*By Madhusudan Singh, Head Boy*

A delegation of students and teachers from MPS-Kalwar Road, led by School Secretary Shri Ashok Kumar Malu and Management Committee Member Shri R K Bhala, Principal Ms Rita P. Taneja had the privilege of engaging in an interactive session with the Hon'ble Vice President of India Shri Jagdeep Dhankar. During the meeting, the Hon'ble Vice President graciously shared his insights with the students regarding their future academic and career choices. Furthermore, he extended an invitation to the delegation to visit the newly constructed Parliament building, providing a unique opportunity for the students to witness the nation's legislative hub firsthand.

Sitting on the table  
With the lamp on,  
Thinking about his future  
Staring deep inside the wall.

He thinks about a life  
Full of luxury,  
A king sized bed to wake up on  
A car of his dream.

The present that he had to live  
Was long forgotten.  
The future he didn't know exist  
Was taking over.

He thought the positive  
Then the negative.  
Negative stayed  
And he was worried about the upcoming.

In the midst of this  
He was leaving behind his happiness.  
Started forcing himself  
To do that wasn't needed.

Little did he know  
It was a trap formed by his mind.  
Which kept him stuck in the future  
When the present was falling behind.

Take a look at your surrounding  
It is your life.  
Thinking, worrying about future  
Only result in losing this time.

So, let the future be in future  
And enjoy your present.  
Cause, the time once gone  
Never returns.

## OUR BOAT OF LEARNING AND GROWTH

School is where our mind grows,  
Adapting to the cyclones of life, our boat of wisdom rows  
Each lesson is a sail, winning against winds so strong,  
Guiding us to the future we belong.

Through storms of doubt and waves of fear,  
We learn to navigate with our goals clear  
With every challenge, we gain our stride,  
On the sea of learning we confidently glide.

## THE RIPPLE OF KINDNESS

In the quiet corners of the day,  
A smile can light the darkest way.  
A gentle word, a helping hand,  
Can lift a heart where hope can stand.

When we share a laugh, or lend an ear,  
We weave a bond that draws us near.  
With simple gestures, we can show  
That kindness is the seed we sow.

In crowded halls and bustling streets,  
A single act of care repeats.  
A door held open, a friendly glance,  
Can spark a joy, ignite a chance.

So let us choose to spread our light,  
With every act, make wrong turns right.  
For kindness, like a river, flows,  
And in its wake, true friendship grows.

## FRIENDS

True friends are hard to find,  
But I got some best friends for my lifetime.  
Whether they are far or they are near,  
They are always there to lend me an ear.

In moments of life, in times of strife  
They stand beside me through the Waves of life.  
With heart so kind and words so wise,  
They lift me up and reach the skies.

In distances vast or close to hand,  
Are friendship remains, a timeless bond.  
With the bond unbroken, through years that unfurl,  
These friends are my treasure, my world, my pearls

## The Body of imperfection

In every crack, a story lies,  
In every flaw, the truth resides.  
The beauty found in things not whole,  
Reveals the grace within the soul.

A perfect line, a perfect face,  
Cannot replace the tender trace  
Of life's true art, in shades so rare,  
The beauty of imperfection's care.

## DAYLIGHT

Daylight's warm embrace, a new beginning makes  
As sunrise paints the sky with vibrant hues it takes  
The world awakens, fresh and full of light  
A canvas of hope, where darkness takes flight.

With every dawn, a chance to start a new  
A time to chase dreams and make them come true  
The daylight's radiance, a guiding ray  
Illuminates the path, come what may.

In daylight's splendour, we find our way  
Through life's journey ,come dawn's early way  
So let us bask in its warm ,golden glow  
And let our spirits soar as the day grows.

## The Power of forgiveness

A weight is lifted, a burden gone,  
In forgiveness, new hope is born.  
A gentle word, a softened heart,  
Healing begins, where once was scarred.

The past released, the pain let go,  
In forgiveness, we start to grow,  
A bridge rebuilt, a wound made right,  
In its embrace, we find the light.

## HISTORY OF PANIPURI

When I take the name of the "PANI PURI", what comes in your mind. Yes, I read it, it is the bluster of Indian flavours with unnegligible sweet and tangy taste.

Let me take back to you to the time of Mahabharata, when Draupadi's culinary art shines out. It is believed that Kunti, Draupadi's mother-in-law, challenges her to feed her sons from scratch. Draupadi, the intelligent woman, turned leftover dough and aloo sabzi into today's one of the most demanding taste, i.e., panipuri. Legends has it that her intelligence earned this dish the blessings of immortality from Kunti.

## I STILL REMEMBER

I still remember the date,  
When I walked through the MPS's gate  
I stepped into standard two,  
My friends and teachers at this school  
Made me comfortable and cool.  
I began to grow,  
And now I am in standard eight.  
I pray to god to bless me with the brain,  
To bring my school a great name and fame.  
I promise to read each day and night,  
I know it is the key to grow up right.  
Let the brain grow,  
With more wisdom and knowledge.  
So I take this oath , for every student,  
Happiness lies within the books,  
For they nourish our brains,  
what it needs every day.

## A JOURNEY

Life is about numerous mysterious features  
It is precious for every creature,  
Life is a series of random moments,  
Each one a puzzle, with pieces potent.

From morning light to evening's rest,  
Life is a journey,a curious quest.  
In every laugh, in every tear,  
There is a story, simple and clear.

Life is not about rich or poor ,  
It's all about spreading joy everywhere.  
Paths we walk ,some lost, some found,  
The lessons learned all around.  
So cherish the days ,the good and grey,  
Because life is a simple ,fleeting play.

## FEELINGS POETRY OF THE

Asking you to enter the door of fantasies  
Settling down all the curiosities  
Emotions are beautifully expressed through poetries.

It makes own heart to glow differently  
And will never make us feel lonely.  
Creates the urge to understand every  
Word jotted down in the letter  
Artistically describing every matter.

Makes you overwhelmed with exultation  
Develops love with your own fabrication.  
From being the pages of diary  
They became segment of one's identity.

## Manu Bhakar

In a village of Haryana, bright and keen,  
Manu Bhakar dreamt a dream unseen.  
From boxing gloves to the skating rink,  
she soared in sports made us all think.  
But it was in shooting she found her aim  
With precision and focus, she rose to fame.  
Gold medals blend in her youthful hand,  
a shooting star across the land.  
In youth Olympics, her talent shone,  
At Commonwealth Games,  
she claimed The Throne.  
With steady hand and Eagle's eye,  
She shot her way to the sky.  
Manu Bhakar young and bold,  
A story of courage and skill retold.  
In every target that she strikes true,  
She shows what dreams and hard work can do.  
Manu Bhakar is my guiding star,  
my role model true,  
In her foot steps, I find my  
path and dreams I pursue.

## MY TREE

Now I will plant this little tree,  
Forever and ever it belongs to me.  
When it grows up I will lift my eyes,  
To see my tree against the skies.  
A great, tall, living thing I shall see-  
And how glad I'll feel that it's my dream!

## Tension

Children have tension,  
Before their examination.  
Fathers have tension,  
Before their children's admission.  
Mothers have tension,  
Before delicious dishes preparation.  
Teachers have tension,  
Regarding higher expectations.  
Ministers have tension,  
In public administration.  
Public have tension,  
To control a congregation.  
But nature has tension,  
Where there is more population.  
How widespread is tension?  
It has become today's fashion.  
It can be removed by  
The focus of meditation.

## GLOBAL WARMING

It is rightly said by Barack Obama that – **“We are the first generation to feel the effect of climate change and the last generation who can do something about it.”** A spark of inspiration kindled a fire in my mind, and now I, Aalind Sharma, would like to elaborate the topic of Global warming.

Global warming is a gradual increase in the earth's temperature, generally due to the greenhouse effect caused by increased levels of carbon dioxide. That being said, we can now deduce the main cause of this troubling turn of events to be pollution. It is said that pollution is one of the biggest killers, affecting more than 100 million worldwide.

Global warming is a looming threat, a ticking time bomb, which is destroying the protective ozone layer. It also reduces the amount of rainfall that Mother Earth receives and also deteriorates the quality. The deterioration then results in acid rain which is slowly destroying wonders like Taj Mahal. The pristine white of the alluring marble monument has faded to a dull yellow. If we do not act soon, there may be no time left for us to lead a peaceful life. Various measures can be taken to protect our Blue planet. A series of careful steps in the direction of saving our environment will result in a safe life. So let us come together, become one, and join our hands in a mission to save our planet.

Aalind Sharma, 7A1

## To the teacher who shaped my path

In Your words, I found a guide,  
A beacon of light where doubts subside.  
You taught me more than books could say,  
In every lesson, you showed the way. In your eyes, I saw belief,  
A steady hand through joy and grief. You shaped my thoughts, my dreams, my heart,  
Guiding me from the very start.  
Your Voice was calm, your words were kind,  
You planted seeds within my mind. With every lesson, every day,  
You helped me find a brighter way. Though years may pass, and time may change,  
The love you gave will still remain same.  
In every step, in all I do,  
I carry the lessons I learned from you.  
You are the stars that leads me on, Long after school and days are gone.  
In my heart, you will always stay,  
My favourite teacher, in every way. My teacher, you are the light,  
That turned my darkness into bright.  
With gratitude, I thank you today, For guiding me along the way.

## EARTH

Save our mother Earth,  
make her clean,  
Love the nature  
and make her green,  
Recycle papers,  
glass bottles and cardboards,  
Do not throw garbage on road,  
Do not cut trees and  
do not hunt animals,  
Plant more and more trees  
so she will look pretty.

## DREAMS

Some are big  
Some are small,  
Some are true  
Some remains fantasy.  
Some stay  
Some fade away,  
Some are possible  
Some are impossible  
Some for last a day  
Some are life time.  
Some makes me happy  
Some makes me sad,  
Some can be seen by open eyes  
Some get vanished from my sight.

## FAREWELL OF THE GOLDEN DAYS

As the Sun sets on these golden days,  
I stand at the edge of a new phase.

In the halls of learning, where dreams  
takes flight,  
I gather my courage to reach new  
heights.

The desk, the books and the people  
I've known  
Have shaped the person I've now  
grown.

The end of this chapter bitter sweet  
and true,  
Opens the doors of what I must pursue.

In every step, in all I do  
I'll look back on my roots-strong and  
true...

## A WORD

One word can make one happy  
One word can make one cry  
One word can break one  
N' unite one.

A word has a power  
To hurt one harshly.  
A word has a magical power  
To heal one who is hurt.

It will strike like an arrow  
Or comfort like a pillow  
So just be aware and careful  
with your words.  
Because it may take or give a life.  
It's just a word.

Yet longing for the unknown

# EMOTIONS

Why is it? And why is it?  
Sometimes it's hard to describe,  
The exact what I feel inside  
Why emotions are mixed,  
Think carefully  
O! Leave it!  
Not the people, but the mind,  
Why emotions are killing inside?  
Why I'm hiding them?  
It's not like sharing them with anyone!  
Let's talk about negative emotions;  
They are like snakes, and might snap anytime!  
Let me do a work;  
I should put a pen to paper about  
how I feel  
This will help my heart to heal.  
I got the answer!  
Emotions are elated, grumpy and earnest  
Human beings are thus susceptible to  
emotions!

## Winter

When it is the time of coming winter,  
Everyone starts their heaters,  
It is also my favourite season,  
All feel cold, humans to pigeons;  
Winter is a festival of cold and ice,  
A mug of hot chocolate would be nice.  
Winter has long dark nights,  
Kids bundle up for snowball fights,  
The street cars look like frosted cakes,  
All covered with cold snowflakes.

## Two Lives Lived

This is a tale of a girl who  
turns into a woman,  
From a daughter of a doting  
dad to a wife of a youthful man. A day before she  
singed, played danced and swung on swing, now in  
white veil, down the aisle is adorned with a wedding  
ring.  
Two places where she stays,  
Two parents, two lives two beds where she lay.  
Two dream she dreams, two are the peoples for  
she pleads.  
Two worlds she is cherished by,  
One is fire while other is ice.  
Even so, all forgotten, all alone, she  
lies,  
With her soft shrill unheard tears, pains  
and cries,  
This is a tale of a girl who lived two  
lives.

## Nature's Symphony

With every seed we sow,  
A new seedling grows,  
Rooted in Earth, these stand tall,  
Cleaning air for one and all,  
Plants provide us with food, medicines and shade,  
Also, their beauty never fades,  
From forests to urban spaces,  
Trees bring life to all places,  
Each sapling planted is a step we take,  
In healing Earth for nature's sake,  
So let's plant trees one by one,  
Ensuring a greener future for everyone.

## Our Parents Are Like Gods

We came into their hands;  
tiny and helpless;  
They cared for us; they loved us;  
And good qualities were sown in us  
To make us better humans.

They make us distinguish good from evil,  
And taught us never to be like that devil,

For us, they are God  
Who ask for nothing,  
But give us everything!

## Beauty In Life

In a world consumed by stress and strife,  
Where worries weigh upon our life,  
We tread the path of the endless chase,  
Forgetting the beauty in life's embrace.

But pause, dear soul, and take a breath,  
For amidst the chaos lies a treasure chest,  
Nature's abundance, a resplendent sight,  
A reminder of life's eternal light.

The vibrant hues of a sunset's kiss,  
The gentle sway of trees in bliss,  
The laughter of waves upon the shore,  
These moments, dear friend, we must adore.

For life, my friend is not without strife,  
We all face battles in this mortal life,  
But it is in these struggles we find our might,  
And emerge as warriors, shining bright.

Life's not easy, that much is true,  
But let us remember, it's the challenges that define you,  
Embrace the journey, with passion and grace,  
And find the beauty in life's intricate maze.

## Power of Pen

My Pen is a magic wand. It is able to express what's inside me. The power of a pen is mightier than a sword. What a sharp-edged sword can't achieve can be achieved with the help of the magic tip of a Pen.

Writing is priceless. Writing has built and destroyed kingdoms. It has created peace during the war and created war during peace. A pen can turn dark into light, slavery into freedom, silence into speech, weakness into strength and poverty to wealth.

A fight can impact two or more people, a war can impact thousands of people, but a pen can shake the whole world

## भगवान का सबसे प्यारा तोहफा माँ

भगवान का दिया सबसे प्यारा तोहफा है माँ,  
उसकी ममता में बसा है सारा जहाँ।  
जब भी अंधकार ने हमें घेरा,  
माँ ने बनकर रोशनी दिखाया सवेरा।  
माँ से ही है जन्म मेरी,  
उसके बिना ये दुनिया है अधूरी।  
माँ की खुशी छुपी है मेरी हँसी में,  
स्वर्ग सा सुख है माँ की गोद में।  
खुद से पहले मेरे बारे में सोचती है तू,  
तेरे प्यार मे छुपा है कोई तो जादू।  
मेरे सपनों को अपना बनाया,  
हर कदम में मेरा हौसला बढ़ाया।  
ईश्वर का वास है माँ की मूरत में,

स्वर्ग का निवास है माँ के चरणों में।  
जब भी मैं गिरी, माँ ने मुझे उठाया,  
हर गलती पर प्यार से मुझे समझाया।  
जब भी मुश्किले सिर पर आई,  
माँ ने अपनी बाहे फैलाई।  
तेरी ममता की छाया में रहूँ सदा,  
सबसे प्यारी, सबसे न्यारी तू है मेरी माँ ॥

## गुरु

जीवन मे दिया जो पहला ज्ञान ।  
उन गुरु को मेरा कोटि प्रणाम ॥  
आशा की जो किरण दिखाए ।  
साहस की नई राह चलाए ॥  
कभी कड़क कभी नरम हुए ।  
विचलित हमको न होने दिए ॥  
ऊर्जा का ऐसा संचार किया ।  
सपनों को हकीकत बनने दिया ॥  
आज खड़ी हूँ मैं जिस पथ पर ।  
सफलता के ऊँचे शिखर पर ॥  
उस गुरु की महिमा अपरम्पार ।  
कर दिया मेरे जीवन में चमत्कार ॥  
उन गुरु को मेरा कोटि प्रणाम ॥

## चंद्रयान

चंद्रयान सपनों का यान, जिस पर उतरा हिंदुस्तान ।  
सूत कातती अम्मा को मिलने चला भारत महान ।  
चंद्रयान की टीम को सादर मन से प्रणाम ।  
सूत कातती अम्मा को मिलने चला भारत महान ।  
एकादशी से अमावस्या तक,  
फिर अमावस्या से पूनम का रूप  
बढ़ने से है उसका घटना, घटते बढ़ा स्वरूप ।  
शिवजी के मस्तक पर है वो है पृथ्वी के पुत्र स्वरूप ।  
घटती बढ़ती चंद्रकला में है स्वयं में पूर्ण अनूप ।  
नहीं दूर अब चंदा मामा दूर नहीं अब अम्मा वो ।  
सपनों को साकार किया है नमन ISRO के सपनों को ।

## भ्रम और भंजिल

मुश्किल नहीं आसान है,  
भंजिल तुझे तेरी मिल ही जाएगी  
बस एक बार मन के अपने बहानों को  
तू बहलाकर तो देख  
नाकाम हो जाएगी कोशिशें  
वो सारी तुझे हराने की  
बस एक बार मन  
जीतने का तू बना कर तो देख !!

## मेरी माँ

जमीन पर लौटते-लौटते,  
कब पैरों पर खड़ा हुआ,  
तेरी ममता की छाँव में,  
जाने कब मैं बड़ा हुआ -  
काला टीका दूध मलाई,  
आज भी सब कुछ वैसा है,  
मैं ही मैं हूँ हर जगह,  
माँ प्यार ये तेरा कैसा है ?  
सीधा - साधा भोला भाला,  
मैं ही सबसे अच्छा हूँ,  
कितना भी हो जाऊँ बड़ा, माँ।  
मैं आज भी तेरा बच्चा हूँ ।  
माँ को कर दे कोई परिभाषित  
ऐसा तो कोई विद्वान नहीं  
ये एहसासों की गठरी हैं  
इसका कोई व्याख्यान नहीं ।

## मैं बोझ नहीं हूँ

शाम हो गई, अभी तो घूमने चलो न पापा,  
चलते-चलते थक गई, कंधे पर बिठा लो न पापा।  
अंधेरे से डर लगता है, सीने से लगा लो न पापा।  
मैया तो सो गई, आप ही थपकी देकर सुलाओ न पापा।  
स्कूल तो पूरी हो गई, अब कॉलेज जाने दो न पापा,  
पाल पोस कर बड़ा किया, अब जुदा तो मत करो न पापा।  
अब डोली में बिठा ही दिया, तो आँसू तो मत बहाओ न पापा,  
आपकी मुस्कराहट अच्छी है, एक बार मुस्कराओ न पापा।  
आपने मेरी हर बात मानी, एक बात और मान जाओ न पापा,  
इस धरती पर बोझ नहीं हूँ मैं, दुनिया को समझाओ न पापा।

## दोस्ती का ये सफर

जब पहली बार मिले थे, थे अजनबी जैसे,  
दिल की गहराइयों में, कोई भी परिचय नहीं था वैसे।  
तेरे साथ क्लास में बैठे-बैठे, न जाने कब दोस्ती हो गई,  
न जाने कब हमारी ये दोस्ती पक्की-पक्की में हो गई।  
तेरे संग बिताए पल, जैसे खुशियों का एहसास,  
हर लम्हा तेरे साथ, जैसे मीठी मिठास।  
हमारी मस्ती स्कूल में, है सबसे खास,  
तेरे बिना तो क्लासरूम, लगता है जैसे कोई नहीं,  
आस-पास हमारी ये दोस्ती, रहेगी सदा अटूट,  
कभी ना छूटेगी ये डोर, रहेगी सबसे मजबूत।  
हमारी छठी से लेकर ग्यारहवीं तक का सफर,  
हमारी दोस्ती में है ढेर सारी मस्ती का असर।  
चाहे हो खुशी या हो कोई दुख भरी बात,  
हम साथ रहेंगे, देंगे एक-दूजे का साथ।  
हम मेहनत भी करेंगे, सफलता भी पाएंगे,  
पर दोस्ती की इस डोर को कभी न तोड़ेंगे,  
सदा रखेंगे हमारी ये यारी, है जीवन का सबसे बड़ा खजाना,  
सफलता की ऊँचाई पर भी, दोस्ती का होगा ठिकाना।  
भले ही मिलना ना हो, या रहें हम दूर कहीं,  
दिल से दिल का रिश्ता, रहेगा हमेशा यही।  
याद रहेगा ये साथ, हर मुस्कान और आँसू में,  
क्योंकि दोस्ती का ये एहसास,  
सबसे खास रहेगा हर हाल में।

## राखी के धागे

राखी के धागे से बंधा,  
ये रिश्ता अनमोल सा,  
करता हूँ वादा सुरक्षा का,  
लाया तोहफा प्यार का।  
जैसे कृष्ण और द्रौपदी की कहानी,  
या कहानी हुमायूँ और कर्णावती की,  
सब दर्शाते हैं यही,  
कि एक बहन ही है भाई की सच्ची राखी।  
हर अच्छे और बुरे वक्त में साथ निभाया,  
कभी मुझसे लड़ी, पर अगले ही पल मनाया।  
कभी तो रिमोट मुझसे छीना,  
तो कभी मेरी पसंद का खाना भी खिलाया।  
मेरी बहन, तू है सबसे खास,  
हर राखी के बंधन से बंधा,  
हमारा ये रिश्ता अनमोल है।  
एक बहन जो भाई के  
आँसू छुपाए,  
और भाई जो बहन के लिए  
दुनिया से लड़ जाए।

## वृक्ष बचाओ

वृक्ष जब लहराते हैं  
तब हम साँस ले पाते हैं  
उतना सुख पाओगे तुम  
जीवन हमको मिला जिनस  
क्या तब भी तुम काटोगे इन्हे  
वृक्ष बचाओ वृक्ष लगाओ।  
धरती माँ को जलने से बचाओ।

## मुझे मेरे बचपन से प्यार है

हूँ नन्हा सा पौधा,  
बढ़कर छाँव बनना चाहती हूँ।  
चिड़िया की तरह चहक कर,  
खुले आसमान में पंख फैलाकर उड़ना चाहती हूँ।  
खेल-खेल में खिल खिलाना चाहती हूँ।  
किताबों को पढ़कर नए-नए तथ्यों को जानती हूँ।  
ऐसे खिलखिलाते बचपन से,  
मुझे प्यार है।

## काश में पक्षी बन जाऊँ...

रिमझिम बारिश आते ही  
दूर कहीं ऊड़ जाऊँ  
वृक्ष वृक्ष घूमूँ मैं  
और फिर कहीं उड़ जाऊँ  
काश में पक्षी बन जाऊँ...  
ना स्कूल की फिफ्र  
ना मम्मी का डर  
बस घूमूँ फिरूँ मौज उडाऊँ  
काश में पक्षी बन जाऊँ...  
ना मोबाईल पर गेम  
ना टेलीविजन से प्यार  
बस खुली हवा में पंख फैलाऊँ  
काश में पक्षी बन जाऊँ...  
ना कोई भी सीमा  
ना कोई पाबन्दी  
बस दाना चुगूँ और दूर-दूर जाऊँ  
काश में पक्षी बन जाऊँ...

घर में नया एक  
टीचर आया,  
इसने सबको खूब लुभाया  
अनोखे हैं इसके रंग  
देख सभी रह जाते दंग ।

मुझको तो ये बहुत ही भाता  
जब चाहूँ तब खेल खिलाता।  
दिन हो या रात

इसकी मिट्टी से मैं बनी हूँ,  
इसके सूरज से मैं जगी हूँ।  
इसकी हवा में मैं साँस लेती हूँ,  
मेरा देश मेरी ज़िन्दगी है।  
मैं इसकी रक्षा करूँगी हरदम,
