**REQUIRED ADDITIONAL INFORMATION & DOCUMENTS FOR PERMIT REVIEW**

The public display or event will be supervised by a qualified person, therefore, attach a photo ID of qualified pyro-technician as well as a copy of all documents demonstrating the pyro-technicians qualifications including licenses &/or certifications.

A bond or valid certificate of public liability and casualty insurance providing coverage of one million dollars (i.e., \$1,000,000.00) must accompany each application.

Include with permit a drawing of the display area to include the location where fireworks will be discharged. Fireworks must be discharged from a hard, noncombustible surface. Applicant must comply with NFPA 1123.

The public display or event will not constitute an unreasonable hazard to persons or property. Alteration of fireworks may be performed by a person in possession of a valid public display permit (Ord. 2637). This permit is not transferable and therefore any changes to the specifics in this permit are not permitted. It is the responsibility of the applicant to contact the Nampa Police Department regarding noise ordinances, and to comply with those ordinances.

The above information provided and attached information is correct. I accept and understand my responsibilities outlines in the Nampa Fire Prevention District Aerial & Pyrotechnic Permit.
