**GENERAL INFORMATION**

This permit is for automatic fire extinguishing systems for Type 1 Cooking hoods. Please note that a permit is required for installation of new systems and for any modification of existing systems.

<b>Check all that apply:</b>	
New system (Existing Building)	New system (New Building)
Re-submittal	Modification of existing system
<b>Additional Permits that may be Required:</b>	
Connecting a fire extinguishing system to a fire alarm system requires a separate fire alarm permit	
Installation or modification of cooking hoods or rated shafts requires separate Building & Mechanical Permits	

**Scope of Work / Explanatory Comments:**

Describe the scope of work to be performed. If you are replacing an existing hood please include reason.

**APPLICATION INSTRUCTIONS**

- 1) Fill out NFP Permits Account Request Form on-line (find a link to the form on NFPD website). Upon completion of form you will receive an email from NFPD. Be sure to save that email to reference during the application/inspection process. In the email there will be an upload link called "application intake folder". Please submit/upload this application along with all additional documents including a cut sheet (engineered design drawings are not required) to that folder link.
- 2) Nampa Fire Prevention Bureau will Review application and upon approval a permit will be issued.
- 3) Pay applicable fees. See Nampa Fire Protection District Fee Schedule.
- 4) Once work is performed call #208-468-5751 to schedule a final inspections
