Fire Extinguishers Questions

Nampa Fire Protection District DOES NOT SERVICE FIRE EXTINGUISHERS

Please Contact a local fire extinguisher service company in your area for assistance.

Did you know?

A portable fire extinguisher can save lives and property by putting out a small fire or containing it until the fire department arrives; but portable extinguishers have limitations. Because fire grows and spreads so rapidly, the #1 priority for residents is to get out safely.

Fire extinguishers are one element of a fire response plan, but the primary element is safe escape. Every household should have a home fire escape plan and working smoke alarms.
