[DOWNLOAD] 5 of 5 review helpful Alpha Architecture Manual Great stuff By Jason Thorpe I ve been an Alpha developer for the NetBSD Operating System Project for several years now and simply can t say enough about this book It like most documentation from Digital now Compaq is very thorough and well organized It is a must for anyone doing systems programming on the Alpha and quite valuable for people doing application **Alpha Architecture Reference Manual (HP Technologies) is one of my favorite books. I recommend this book: Alpha Architecture Reference Manual (HP Technologies) to my close friend, including you.**
