Interviewing Children: The Science of Conservation in Forensic Contexts Download

PDF-cd8d6 Because of children's incomplete language development, their greater risk of retrieving inaccurate information in response to memory cues, and their desire to say what they think the interviewer wants to hear (whether truthful or not), child eyewitness testimony can be unreliable. In this book, Debra Ann Poole presents a flexible, evidence-based approach to interviewing children that reduces the... *Interviewing Children: The Science of Conservation in Forensic Contexts* This *Interviewing Children: The Science of Conservation in Forensic Contexts* book is not really ordinary book, you have it then the world is in your hands.
