Experience

Razorpay Communication Designer

Building connected experience for payment gateway platform.

Sept'24 - Present

GrowthX Visual Designer

Re-designed and revamped the company's brand & visual identity. Owned design across landing page, social media, emails, YouTube, offline events and flagship products.

Designed and branded the first official merch for existing users which got sold out within 24 hours of launch. Also designed an interactive 3D store for the launch garnering 2 Mil+ impressions across platforms.

Collaborated with the product and tech teams to create landing pages for 4 products while ensuring consistency with brand design goals.

Mar'23 - Aug'24 (1 year 5 months)
