PROJECT BRIEF

The Club

A CANVAS FOR LIVING

Eltiera Views is the natural evolution of Eltiera Heights, a refined continuation that deepens the connection between design, lifestyle, and the serenity of its setting. Conceived as a residence for every version of you, it offers spaces that adapt to your rhythm, whether you seek stillness, movement, connection, or retreat. From vibrant social moments to quiet rituals, every detail is thoughtfully attuned to the many sides of modern living. The residential development is shaped by its surroundings, drawing its form and feeling from the tranquil lake, the sculpted greens, and the distant waters of Jumeirah Islands. Here, the architecture doesn't just frame the view, it flows from it.

A man in a light-colored suit is sitting on a modern, dark-colored sofa in a high-rise apartment. He is reading a book. The room has large windows that offer a panoramic view of Dubai, including the Jumeirah Islands, artificial lakes, and the city skyline in the distance. The lighting is warm, suggesting late afternoon or early morning. The floor is highly reflective, showing the man and the furniture.

JUMEIRAH ISLANDS, DUBAI-UAE

Nestled east of Sheikh Zayed Road, between interchanges 5 and 6, Jumeirah Islands is more than a neighborhood, it's a lifestyle enclave with one of the most unique land-to-water ratios in the world. Surrounded by shimmering artificial lakes, the community enjoys a rare 2:1 land-to-water ratio, making it one of the most tranquil, exclusive residential settings in Dubai. Positioned amidst Jumeirah Lakes Towers, The Meadows, and Jumeirah Park, the location strikes a powerful balance: secluded but connected, residential yet commercially dynamic.

An aerial photograph of a residential community in Dubai, featuring a large green golf course with a winding waterway, surrounded by modern buildings and a city skyline in the distance under a blue sky with scattered clouds.

STRATEGICALLY CONNECTED

Situated at the southern edge of Jumeirah Lakes Towers and just minutes from Dubai Marina, Emirates Golf Club, and Ibn Battuta Mall, the community offers seamless access to both lifestyle and business hubs, placing you at the intersection of convenience and connectivity.

Lifestyle integration

Laced with running tracks, landscaped parks, sports courts, and serene lakeside paths, the neighborhood makes wellness a natural part of everyday life. It's a setting that fosters clarity, calm, and effortless living, where lifestyle and productivity exist in perfect harmony.

Retail & everyday convenience

From International schools to curated retail at Jumeirah Islands Pavilions, every necessity is thoughtfully within reach. Adjacent community centers such as Meadows Town Centre and the JLT retail promenade further enrich the day-to-day experience with dining, shopping, and service offerings close to home.

A photograph of a person's legs splashing in water at sunset. The sun is low on the horizon, creating a warm, golden glow. The water is splashing upwards, with many droplets visible. The person's legs are dark and silhouetted against the bright background. The overall mood is serene and refreshing.
