## Director's Teapot

It's the year 2020! Breaking news that many people are talking about – WAR! Are we going to war this year? Most of us had not experienced war; war is only in the movies and yes, it is scary! People running and hiding; people queuing for food ration; people evacuating to safer grounds; children separated from parents; young men deployed to war zones, etc. What a frightening scene! As I write, there is yet another breaking news – Taal Volcano had erupted! What a way to welcome the new year! The Bible does speak and prophesy about wars, plagues affecting living things (ASF, SARS, EBOLA, and mysterious virus?), the sun, and moon and stars darkening (global warming, climate change?), etc. We are living in terrible days; so terrible – who can survive? God created a beautiful world for humans to live, to populate and to enjoy; unfortunately, we have not been good stewards of God's gift – natural resources, clean and livable environment. Most important gift of all – gift of His Son, whose birth we just celebrated. Let's lay hold to this gift while we can. Let's embrace the GIFT, possess and treasure the GIFT as we journey the uncertain days of 2020.
