Halloween Words — Write & Read

Spooky words from the halloween-phonics-activities guide, sorted easiest to trickiest — from simple CVC through digraphs, vowel teams, and silent letters.

Name: _____ Date: _____

How to use this worksheet

1. Some words are split into two red chunks (like b - at) — say each chunk out loud, then blend them together into one word.
2. Longer or trickier words are shown whole — just read them normally.
3. Write the complete word on the blank line.
4. Check your spelling against the printed word once you're done.

Example — this is what a correct answer looks like:

b - at -> bat
