Magic-E Worksheet — Long U (u_e)

Practice page for the Long U (u_e) magic-e pattern from the magic-e-silent-e-words guide.

Name: _____ Date: _____

How to use this worksheet

1. Read the short word out loud.
2. Add a silent E to the end — the vowel changes from short to long.
3. Write the new long-vowel word on the blank line.
4. Check your spelling against the word bank at the top of the page.

Example — this is what a correct answer looks like:

cub + e -> **cube**

Tip

Practice one vowel group at a time — mixing them too early causes more mix-ups than it fixes.

Magic-E Worksheet — Long U (u_e)

Add a silent E to the end of each word. The vowel changes from short to long — write the new word.

Word bank: cube cute dude huge tube use

cub + e -> _____

cut + e -> _____
