OO, UE, UI, EW Vowel Teams — Write & Read

Practice pages for the long OO sound (oo, ue, ui, ew) and the second oo sound, as in book.

Name: _____ Date: _____

How to use this worksheet

1. Some words are split into two red chunks (like r - ain) — say each chunk out loud, then blend them together into one word.
2. Notice the vowel team inside the second chunk — the two vowel letters that team up to make one sound.
3. Write the complete blended word on the blank line, copying the vowel team carefully.
4. Check your spelling against the printed word once you're done.

Example — this is what a correct answer looks like:

bl - oom -> bloom

Tip

Practice one team per session — mixing ai and ay (or oa and ow) too early causes more spelling mix-ups than it fixes. See the vowel-teams-list blog post for the position rules.
