My School Buddy  
Compass Box

## About us

Real Plastics has been manufacturing high quality plastic product of Children's need since 1979. At Real Plastics every stage of product development is evaluated in terms of changing technologies, innovative designs & attractive colour options. We are of the opinion that the finest end product can only be the result of the finest inputs i.e. proven technology, modern production processes & stringent quality control.

Real Plastics have come up with new products for Kids in vibrant and attractive colours. Our Objective are clear to upgrade technology, to offer products at reasonable prices to improve on time deliveries and fulfill customer needs.

### Quality Policy

We constantly strive to achieve complete customer satisfaction and thus, quality is absolutely imperative for us. We follow stringent quality control at all stages of production. Each & every article is checked at all levels before final packing.

### Our Vision

To be the Best brand in the Globe with excellent quality in Back To School products.

### Our Mission

To make it available through out India and satisfy all our customers and bring smile on their faces with our services.

To contribute to social deployment & growth through proactive and responsible initiatives.
