TiZO PHILOSOPHY

1

Our commitment to using 100% mineral sunscreens is right in our name. Titanium Dioxide and Zinc Oxide are by far the best choice for your skin, your body, and the environment.

2

Exceptional elegance means you'll look forward to protecting your skin! Daily UV protection is a necessity, but it shouldn't feel like a chore.

3

What you put on your body is as important as what you put into it. We avoid chemical sunscreens that can penetrate into the bloodstream. We also stay away from parabens, gluten, fragrances, dyes and phthalates.

4

Skin Care Professionals are your skin's best friend, helping you keep an eye on changes and keeping your skin radiant! See your dermatologist yearly and your aesthetician regularly.

5

Sun protection lets you enjoy life outdoors! Apply TiZO, take sensible precautions and enjoy being outdoors worry-free.

TiZO MINERAL SUN PROTECTION

Our name reflects our commitment. **TiZO** stands for **Titanium + Zinc Oxide**.

TiZO Mineral Sunscreens are 100% mineral protection, delivered with exceptional aesthetics including elegant skin feel, the ability to layer under makeup, and virtually invisible appearance on a wide range of skin tones. Since 1989, the creator of TiZO has been crafting healthy sun protection that's a pleasure to use.

ALL TiZO SUN PROTECTION FORMULAS ARE:

- 100% FREE of Chemical Sunscreens, Dyes, Preservatives, Fragrances, Parabens, Gluten and Phthalates
- Broad Spectrum UVA/UVB protection
- Gentle enough for all skin types, even the most sensitive; appropriate for post-procedure use
- Photostable; will NOT degrade in sunlight
- Aesthetically elegant
