Professional Experience

07/2024 – present Delhi, India	**Software Developer Engineer** *Requestly* ⬀ Worked on redesigning and maintaining Requestly's website and documentation to make them more user-friendly and functional. Improved search rankings through SEO optimization and created content for blog posts, product pages, and documentation to clearly explain product features and updates.
05/2023 – 10/2023	**Software Developer Engineer Intern** *Requestly* ⬀ As an intern, contributed to redesigning and maintaining Requestly's website and documentation. Played a key role in migrating the website from Webflow to WordPress for better flexibility and performance. Helped create clear and user-friendly documentation and worked on SEO improvements to increase search visibility.
11/2022 – 07/2024	**Full Stack Web Developer Intern** *Vips Delhi* ⬀ As a Web Development Intern, I redesigned the website using React and Firebase, improving usability and user experience. Managed the vips.edu ⬀ domain and several subdomains, and contributed to creating new websites. Enhanced search visibility and site performance through regular updates and optimizations.

Education

2021 – present Delhi, India	**BCA** *Vivekananda Institute Of Professional Studies Bachelor In Computer Application from GGSIPU* ⬀
