

PRINT FOCAL LLC

Terms of Service

3D Print Marketplace

Print Focal LLC • Spicewood, Texas
Effective upon account registration or first use of the Platform

Preamble

These Terms of Service ("Terms") govern all access to and use of the Print Focal LLC online marketplace ("Platform"), including all services, features, and content offered through Print Focal. These Terms are a legally binding agreement between you and Print Focal LLC ("Print Focal," "we," "us," or "our"), a Limited Liability Company organized and existing under the laws of the State of Texas, with its principal place of business in Spicewood, Texas.

These Terms are divided into three parts: (1) General Terms applicable to all users; (2) Buyer Terms applicable specifically to purchasers of products; and (3) Seller Terms applicable specifically to independent designers who upload Design Files to the Platform. By accessing or using the Platform in any capacity, you agree to the General Terms and to whichever of the Buyer or Seller Terms apply to your use.

If you do not agree to these Terms, you must immediately cease all use of the Platform and close any account you have created.

Anyone at least 18 years of age may view, browse, and create an account on the Platform, regardless of location. However, because Print Focal currently ships products only to addresses within the contiguous United States (the 48 contiguous states plus the District of Columbia, excluding Alaska, Hawaii, and all U.S. territories), you may only complete a purchase as a Buyer if you have a valid shipping address within that area. Sellers are not subject to a residency requirement and instead must satisfy the eligibility requirements set out in Part Three, Section S-2. By using this Platform, you represent and warrant that you meet whichever of these requirements applies to your use.

Definitions

The following defined terms are used throughout these Terms:

- "Agreement" or "Terms" means this Terms of Service document, including all policies and amendments incorporated by reference.

- “Buyer” or “Customer” means any person who purchases a printed product through the Platform.
- “Design File” means any digital three-dimensional model file uploaded by a Seller, including STL, STEP, OBJ, 3MF, AMF, F3D, or any other supported format.
- “Gross Sales Price” means the total amount paid by a Buyer for a product, excluding shipping and taxes, before deductions.
- “Net Profit” means the Gross Sales Price less: (a) Print Focal’s production minimum fees, which include the platform and fulfillment fee; (b) manufacturing and materials costs; (c) shipping and packaging costs; (d) Payment Processing Fees; and (e) applicable taxes and regulatory fees. The Seller retains 100% of Net Profit after these production minimum fees have been deducted.
- “Payment Processing Fee” means the fee charged by Print Focal or its third-party payment processor (Stripe) for processing transactions, currently set at 3% of the total transaction amount.
- “Platform” means the Print Focal website, mobile applications, seller portal, and all associated digital infrastructure.
- “Print Farm Partner” means any third-party 3D printing company or fulfillment partner authorized by Print Focal to manufacture and/or fulfill orders on its behalf.
- “Prohibited Design” means any Design File falling within the categories described in Part Three, Section S-6.
- “Seller” means any individual or entity who registers a seller account and uploads Design Files to the Platform.
- “Seller Content” means all Design Files, product descriptions, images, tags, metadata, and other content submitted by a Seller.
- “Stripe” means Stripe, Inc., Print Focal's third-party payment processing and seller payout partner.

PART ONE

General Terms — All Users

G-1. Marketplace Overview

Print Focal LLC operates an online marketplace for 3D printed products. Sellers upload digital design files for products they have designed, and Print Focal handles all manufacturing, order fulfillment, payment processing, and customer service. Print Focal does not guarantee the continued availability of any product, design, seller, or service feature.

Print Focal acts as the merchant of record for all transactions. Physical products are manufactured by Print Focal or by authorized Print Farm Partners at Print Focal's discretion. The Seller does not ship, warehouse, or handle physical inventory.

G-2. Eligibility Requirement

General use of the Platform — including creating an account, browsing, and viewing listings — is available to any individual who is at least 18 years of age, or to business entities validly organized under the laws of their home jurisdiction, regardless of location. Completing a purchase as a Buyer is limited to individuals or entities with a valid shipping address within the contiguous United States (the 48 contiguous states plus the District of Columbia). Print Focal does not currently ship to Alaska, Hawaii, or any U.S. territory or possession. Sellers are instead subject to the eligibility requirements set out in Part Three, Section S-2, which permits Sellers located in any country where Stripe supports Connect payouts and automated tax documentation. By creating an account or using the Platform, you represent and warrant that you meet whichever of these eligibility requirements applies to you.

Print Focal reserves the right to verify your age, shipping address, business status, or Seller eligibility at any time and to suspend or terminate any account that does not meet the applicable requirements. Print Focal does not accept orders that cannot be shipped to an address within the contiguous United States, and does not accept Seller registrations from any country where Stripe does not support Connect payouts and automated tax documentation.

G-3. Accounts

You may be required to create an account to access certain Platform features. You agree to provide accurate, current, and complete information during registration and to keep your account credentials secure. You are solely responsible for all activity conducted through your account.

Print Focal reserves the right to suspend, restrict, or terminate any account at any time for any reason, including suspected fraud, policy violations, inactivity, or legal compliance reasons.

G-4. Intellectual Property

All Platform content, branding, software, source code, user interface design, trademarks, trade dress, and materials are owned by Print Focal LLC or its licensors and are protected by applicable intellectual property laws. Nothing in these Terms grants you any right, title, or interest in Print Focal's intellectual property except the limited right to use the Platform in accordance with these Terms.

You may not copy, reproduce, modify, create derivative works from, distribute, publicly display, or otherwise exploit any Platform content without prior written permission from Print Focal.

G-5. Third-Party Services and Print Farm Partners

Print Focal may engage third-party Print Farm Partners to manufacture and/or fulfill orders. These partners operate under written agreements with Print Focal that require them to maintain quality standards, protect Seller Design File confidentiality, and comply with applicable law. Print Focal remains responsible for communicating with Buyers regarding their orders and does not expose Buyer or Seller data to Print Farm Partners beyond what is operationally necessary.

Print Focal may also use other third-party service providers including Stripe for payment processing and payout services. Stripe, Inc. stores and processes payment card data, banking information, identity verification records, and payout transaction history on Print Focal's behalf in accordance with Stripe's own terms of service and privacy policy. Print Focal does not independently store full payment card details on its own systems; such data is held by Stripe as the payment processor. Your use of the Platform constitutes acknowledgment that such third-party services may be used in the operation of the Platform and that your payment and payout information will be stored and processed by Stripe. Print Focal is not liable for the acts or omissions of third-party service providers except to the extent required by law.

The identity of any Print Farm Partner involved in fulfilling a given order is considered proprietary operational information of Print Focal and will not be disclosed to Buyers or Sellers except as required by law.

G-6. Prohibited Conduct

You may not use the Platform to:

- violate any applicable local, state, or federal law or regulation;
- defraud, harass, abuse, threaten, or mislead any person;
- interfere with or disrupt the operation, security, or integrity of the Platform;
- copy, scrape, crawl, or otherwise extract data from the Platform without written permission;
- upload or transmit viruses, malware, or other harmful code;
- impersonate any person or entity or misrepresent your affiliation with any person or entity;
- engage in any unauthorized commercial activity on or through the Platform;
- attempt to reverse engineer, decompile, or disassemble any part of the Platform;
- use the Platform for any unlawful purpose or to facilitate unlawful activity.

G-7. Privacy and Data

Print Focal's collection, use, and protection of personal information is governed by our Privacy Policy, which is incorporated into these Terms by reference. By using the Platform, you consent to the data practices described in our Privacy Policy.

Print Focal complies with applicable United States data protection laws. All user data is stored and processed within the United States.

G-8. Changes to These Terms

Print Focal reserves the right to update or modify these Terms at any time. If changes are material, Print Focal will notify users by posting an updated version to the Platform and, where applicable, sending notice via email. Your continued use of the Platform after notice of any change constitutes your acceptance of the revised Terms.

G-9. Governing Law

These Terms are governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of law principles. Where federal law or mandatory state consumer protection law requires otherwise, those requirements shall apply to the minimum extent necessary.

G-10. Dispute Resolution and Arbitration

In the event of any dispute arising out of or relating to these Terms or your use of the Platform, the Parties agree to first attempt resolution through good-faith negotiation for a period of thirty (30) days following written notice of the dispute.

If the dispute is not resolved through negotiation, it shall be submitted to binding arbitration administered by the American Arbitration Association (AAA) under its Consumer or Commercial Arbitration Rules (as applicable), to be conducted in Austin, Texas, before a single neutral arbitrator. The arbitrator's decision shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

EACH PARTY WAIVES ANY RIGHT TO A JURY TRIAL AND ANY RIGHT TO PARTICIPATE IN A CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE PROCEEDING.

Notwithstanding the foregoing, either party may seek emergency injunctive or equitable relief from a court of competent jurisdiction to prevent irreparable harm, including in cases involving intellectual property infringement or imminent product safety hazards.

G-11. Disclaimer of Warranties

TO THE FULLEST EXTENT PERMITTED BY LAW, PRINT FOCAL PROVIDES THE PLATFORM, SERVICES, AND PRODUCTS ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT. PRINT FOCAL DOES NOT WARRANT THAT THE PLATFORM WILL BE UNINTERRUPTED, ERROR-FREE, SECURE, OR FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS.

G-12. Force Majeure

Neither Print Focal nor any user shall be liable for failure or delay in performance caused by events beyond their reasonable control, including acts of God, governmental actions, war, terrorism, pandemics, natural disasters, supply chain disruptions, carrier delays, or infrastructure failures. If a force majeure event persists for more than sixty (60) days, either party may terminate their relationship with Print Focal by written notice.

G-13. Severability and Waiver

If any provision of these Terms is found invalid or unenforceable by a court of competent jurisdiction, that provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force and effect. No waiver of any provision of these Terms shall be effective unless in writing. Failure by Print Focal to enforce any provision shall not constitute a waiver of its right to enforce that provision in the future.

G-14. Assignment

You may not assign or transfer your rights or obligations under these Terms without Print Focal's prior written consent. Print Focal may freely assign its rights and obligations in connection with a merger, acquisition, reorganization, or sale of substantially all of its assets, without your consent.

G-15. DMCA Policy and Designated Agent

Print Focal respects intellectual property rights and complies with the Digital Millennium Copyright Act (17 U.S.C. § 512). Print Focal has designated a DMCA agent to receive notices of claimed infringement. To submit a valid takedown notice, you must provide: (a) identification of the copyrighted work claimed to be infringed; (b) identification of the infringing material and its location on the Platform; (c) your contact information; (d) a statement of good faith belief that the use is not authorized by the rights owner; (e) a statement under penalty of perjury that the information is accurate and you are authorized to act on behalf of the rights owner; and (f) your physical or electronic signature.

Notices must be submitted in writing to Print Focal's designated DMCA agent at the contact information published on the Platform's legal page. Print Focal will process valid notices promptly. Counter-notices may be submitted in accordance with 17 U.S.C. § 512(g).

Print Focal maintains a repeat infringer policy under which accounts subject to multiple valid infringement notices will be terminated. Print Focal reserves the right to terminate any account it determines, in its sole discretion, to be a repeat infringer.

G-16. User-Generated Content and Reviews

The Platform allows users to submit reviews, ratings, photos, comments, and other user-generated content ("UGC") in connection with products. By submitting any UGC, you grant Print Focal a worldwide, royalty-free, perpetual, irrevocable, non-exclusive, sublicensable license to use, reproduce, display, distribute, adapt, modify, and promote that content in any media for any lawful purpose, including marketing, platform operation, and promotional materials, without compensation to you.

You represent and warrant that: (a) you own or have the right to submit all UGC you post; (b) your UGC does not infringe any third-party intellectual property, privacy, or publicity rights; and (c) your UGC is truthful, accurate, and based on your genuine first-hand experience.

Print Focal reserves the right, in its sole discretion and without prior notice or liability, to remove, edit, or decline to publish any UGC that it determines violates these Terms, is fraudulent, defamatory, harassing, obscene, or otherwise objectionable, or that could expose Print Focal to legal liability. Print Focal has no obligation to monitor UGC but may do so at any time. The presence of any UGC on the Platform does not constitute Print Focal's endorsement of the views expressed therein.

You may not post fake, incentivized, or misleading reviews. Sellers are strictly prohibited from posting reviews of their own products, offering compensation in exchange for reviews, or

engaging in any form of review manipulation. Violation of this policy may result in immediate account termination and removal of all associated listings.

G-17. Prohibition on Data Scraping and Unauthorized Extraction

You may not, without Print Focal's prior written consent, use any automated or manual means — including bots, scrapers, crawlers, spiders, scripts, or data mining tools — to access, collect, copy, or extract any data, content, pricing information, product listings, seller information, or other materials from the Platform. Systematic or bulk extraction of Platform data in any form is strictly prohibited.

Unauthorized extraction of Platform data constitutes a material breach of these Terms and may also violate the Computer Fraud and Abuse Act (18 U.S.C. § 1030) and other applicable federal and state laws. Print Focal reserves the right to seek injunctive relief, damages, and all other available remedies against any party engaged in unauthorized data extraction. Print Focal may implement technical measures to detect and block unauthorized access, and circumventing or attempting to circumvent those measures is expressly prohibited.

G-18. Platform Availability

Print Focal does not guarantee uninterrupted, error-free, or continuous availability of the Platform. Print Focal reserves the right, at any time and without prior notice or liability, to: (a) take the Platform offline for maintenance, upgrades, or security purposes; (b) modify, suspend, or discontinue any feature or functionality; or (c) restrict access to all or any part of the Platform for any reason. Print Focal shall not be liable to any user, Buyer, or Seller for any loss of sales, commissions, business opportunities, data, or other damages resulting from Platform downtime, maintenance, error, or modification.

G-19. Modifications to Pricing, Fees, and Checkout Terms

Print Focal reserves the right to modify product pricing, checkout fees, taxes, shipping rates, commission structures, Payment Processing Fees, and any other financial terms at any time. For Buyers, updated pricing and fees will be reflected at checkout prior to order confirmation, and you will not be charged any amount that was not disclosed to you before you completed your purchase. For Sellers, changes to commission rates and fees are governed by Section S-9.1. Continued use of the Platform following any pricing or fee change constitutes your acceptance of the updated terms.

G-20. Attorneys' Fees

If Print Focal is required to initiate or defend legal proceedings to enforce any provision of these Terms, or to defend against any claim brought by a user that is determined to be frivolous, groundless, or brought in bad faith, Print Focal shall be entitled to recover its reasonable attorneys' fees, court costs, and other litigation expenses from the non-prevailing party, to the fullest extent permitted by applicable law.

G-21. Exclusive Venue

To the extent any dispute is not subject to binding arbitration under Section G-10, or requires emergency judicial relief, the parties irrevocably consent to the exclusive jurisdiction and venue of the state and federal courts located in Travis County or Williamson County, Texas. Each party

waives any objection to the laying of venue in such courts and waives any claim that such courts constitute an inconvenient or improper forum.

G-22. Entire Agreement

These Terms, together with the Privacy Policy, Marketplace Policy, and any other policies incorporated by reference, constitute the entire agreement between you and Print Focal with respect to the Platform and supersede all prior agreements, representations, and understandings regarding the same subject matter.

PART TWO

Buyer Terms

These Buyer Terms apply to all visitors, customers, and buyers who browse, purchase, or otherwise interact with the Platform as a consumer. Print Focal currently ships products only to addresses within the contiguous United States (the 48 contiguous states plus the District of Columbia); Print Focal does not ship to Alaska, Hawaii, or any U.S. territory or possession, and you must provide a valid shipping address within the contiguous United States to complete a purchase. By placing an order, you agree to these Buyer Terms in addition to the General Terms above.

B-1. Orders and Payment

When you place an order, you authorize Print Focal and its payment processor, Stripe, to charge your selected payment method for:

- the product price;
- shipping and handling;
- applicable taxes;
- any other fees clearly disclosed at checkout.

All transactions are processed by Stripe in accordance with Stripe's terms of service. Payment card details, banking information, and transaction records are stored by Stripe, not by Print Focal on its own systems. By placing an order, you also agree to Stripe's terms and privacy policy as applicable to payment processing and data storage.

Print Focal may cancel or refuse any order at any time for any reason, including suspected fraud, payment failure, inventory limitations, technical errors, policy violations, or safety concerns. If an order is cancelled by Print Focal, you will receive a full refund of any amounts charged.

B-2. Product Descriptions and Variations

Because products on the Platform are 3D printed or made to order, you acknowledge and accept that:

- colors, finish, texture, and dimensions may vary from listing images and digital previews;
- minor manufacturing imperfections, layer lines, and dimensional tolerances are inherent to the 3D printing process and do not constitute defects;
- products are manufactured using specific materials (such as PLA, PETG, ABS, Resin, or Nylon) as disclosed per listing; material selection is subject to availability;
- products are not manufactured in a sterile environment and are not suitable for food contact, medical use, or other regulated applications unless expressly stated and certified.

Print Focal makes reasonable efforts to ensure accurate product descriptions but does not warrant that all descriptions are complete, current, or error-free.

B-3. Shipping and Fulfillment

All stated shipping dates and estimated delivery windows are estimates only and are not guaranteed unless expressly stated otherwise in writing. Print Focal fulfills orders using reputable third-party carriers. Delays may occur due to production requirements, carrier capacity, weather events, supply shortages, customs processing, or other factors outside Print Focal's control.

Print Focal may fulfill orders using authorized Print Farm Partners. In all cases, Print Focal remains your primary point of contact for all order-related inquiries.

Risk of loss and title for products pass to you upon delivery to the applicable carrier. Print Focal is not responsible for carrier-caused delays, loss, or damage after handoff to the carrier, but will assist in filing carrier claims where applicable.

B-4. Refunds, Returns, and Replacements

Refunds, returns, replacements, and store credits are governed by Print Focal's Marketplace Policy and any product-specific policy displayed at checkout. You are encouraged to review these policies prior to purchase.

Because products are made to order, Print Focal generally does not accept returns solely based on a change of mind. However, Print Focal may, in its sole discretion, offer a refund, replacement, repair, store credit, or other remedy where:

- the product received materially differs from the product description;
- the product arrives damaged due to manufacturing or shipping;
- Print Focal determines a manufacturing defect occurred.

To the extent permitted by applicable law, Print Focal's obligation to you is limited to the remedies described in these Terms and the Marketplace Policy.

B-5. Third-Party Seller Designs

Some products on the Platform are based on Design Files submitted by independent Sellers. Print Focal does not independently verify that all Seller designs are free from defects, third-party intellectual property claims, or safety issues. If you believe a product infringes your rights, contact Print Focal promptly.

Print Focal maintains a DMCA-compliant notice and takedown process. Infringement notices should be submitted to Print Focal's designated legal contact.

B-6. Limitation of Liability to Buyers

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, PRINT FOCAL WILL NOT BE LIABLE TO BUYERS FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING FROM YOUR USE OF THE PLATFORM OR ANY PRODUCT PURCHASED THROUGH IT.

Print Focal's total liability for any claim arising from a specific purchase will not exceed the total amount you paid for the product giving rise to that claim. This limitation applies regardless of the legal theory asserted and whether or not Print Focal was advised of the possibility of such damages.

Nothing in this section limits Print Focal's liability for: (a) personal injury or death caused by Print Focal's own negligence; (b) fraud or fraudulent misrepresentation; or (c) any other liability that cannot be excluded or limited under applicable Texas or federal consumer protection law.

B-7. Product Safety Notices

Certain 3D printed products may not be suitable for all ages or all uses. You are responsible for reviewing all product descriptions, warnings, and intended use notices before purchase. Do not use any product in a manner inconsistent with its listed purpose or in a manner not intended by the design.

Products sold on the Platform are not certified for use as personal protective equipment, medical devices, food contact items, or load-bearing structural components unless expressly stated with applicable certifications.

B-8. Prohibition on Commercial Resale

Products purchased through the Platform are intended for personal, non-commercial use unless Print Focal has provided prior written authorization for resale. You may not purchase products for the purpose of reselling, redistributing, or commercially exploiting them without Print Focal's express written consent. Bulk purchasing or purchasing patterns indicative of commercial resale may result in order cancellation, account suspension, and recovery of any commissions or revenues generated from unauthorized resale activity.

B-9. Abuse of Refund and Dispute Process

The refund, return, and dispute process exists to protect Buyers from genuine product issues. Abuse of this process — including but not limited to filing false or exaggerated claims, initiating chargebacks for orders that were delivered as described, or repeatedly exploiting return policies — is strictly prohibited and constitutes a material breach of these Terms. Print Focal reserves the right to restrict, suspend, or permanently ban any Buyer account found to be abusing the refund or dispute process, and to contest any chargeback it determines to be improper or fraudulent.

B-10. Promotional Use Consent

By placing an order on the Platform, you consent to Print Focal's use of anonymized, aggregated order data — such as product popularity metrics, units sold figures, and general sales trends — for marketing, promotional, and business development purposes. Print Focal will not identify you personally in any marketing materials without your separate, express consent.

B-11. Manufacturing Technology and Fulfillment Disruption

Print Focal uses professional 3D printing hardware and software to fulfill orders, which may include equipment and platforms operated by third-party vendors. Print Focal reserves the right to change its manufacturing equipment, software, slicing tools, or fulfillment workflow at any time without notice. Print Focal is not liable for order delays, fulfillment interruptions, or changes in production timelines caused by third-party hardware or software vendor actions, including firmware updates, cloud service outages, policy changes, or licensing modifications that affect Print Focal's manufacturing systems. In the event of a manufacturing disruption caused by a third-party vendor, Print Focal will use commercially reasonable efforts to fulfill your order as promptly as practicable using alternative means, and will communicate with you regarding any material delay affecting your order.

PART THREE

Seller Terms

These Seller Terms apply to all individuals and entities who register a Seller account and upload Design Files to the Platform. By creating a Seller account, you agree to these Seller Terms in addition to the General Terms above. These Seller Terms constitute a legally binding agreement. Electronic acceptance during account registration carries the full legal force of a handwritten signature.

S-1. Recitals and Nature of the Relationship

S-1.1 Platform Role. Print Focal operates an online marketplace and fulfillment service. Sellers upload digital Design Files; Print Focal physically manufactures (3D prints) and fulfills orders directly to Buyers. Sellers do not ship, warehouse, or handle physical inventory.

S-1.2 Seller's Role. Sellers upload Design Files and earn 100% of Net Profits from completed sales after Print Focal's production minimum fees are deducted. Sellers bear full responsibility for the originality, safety, legal compliance, and intellectual property status of their Design Files.

S-1.3 Independent Contractor. The relationship between Print Focal and each Seller is that of independent contractors. Nothing in these Terms creates a partnership, joint venture, agency, franchise, or employer-employee relationship. Sellers have no authority to bind Print Focal to any obligation.

S-2. Seller Eligibility Requirement

Sellers must be individual persons who are at least 18 years of age, or business entities legally organized and operating in accordance with the laws of their home jurisdiction. A Seller may register from any country where Stripe supports Connect payouts and can issue any tax documentation required in that jurisdiction directly to the Seller, without requiring assistance, filing, or intervention from Print Focal. Print Focal does not provide tax preparation, tax advisory, or tax filing assistance to Sellers in any country, including the United States; Sellers are solely responsible for confirming, before registering, that Stripe's supported countries and services meet their needs. By registering a Seller account, you represent and warrant that you satisfy these requirements.

Sellers must provide valid government-issued identification and a bank account or other payment method accepted by Stripe for payouts in the Seller's country of residence or organization. If Stripe ceases to support Connect payouts or automated tax documentation in a Seller's country, Print Focal may suspend or terminate that Seller's account until eligibility is restored. Print Focal may require additional identity verification at any time.

S-3. Scope of Agreement and License Grant

S-3.1 Grant to Seller. Subject to these Terms, Print Focal grants each Seller a non-exclusive, revocable, non-transferable right to access and use the Platform solely to upload Design Files, create product listings, and earn 100% of Net Profits from sales after production minimum fees.

S-3.2 License to Print Focal. By uploading any Design File or Seller Content, the Seller grants Print Focal a worldwide, royalty-free, non-exclusive license to: (a) store and reproduce Design

Files for manufacturing physical products in fulfillment of customer orders and for Print Focal's own marketing and promotional purposes; (b) use, display, reproduce, adapt, modify, and distribute product images, photographs, renderings, descriptions, and metadata for any lawful purpose, including marketing, advertising, platform operations, press, and promotional materials, in any media now known or hereafter developed, without compensation to the Seller; (c) manufacture and distribute physical 3D-printed specimens of products derived from Design Files to authorized marketing partners, press outlets, and promotional collaborators solely for marketing and promotional purposes, at no charge; and (d) modify Design Files solely to the extent technically necessary for 3D printing compatibility or marketing production. Design Files will not be sold, licensed, or distributed in digital form to any third party under any circumstances. The license granted in this section survives termination of the Seller's account solely with respect to marketing materials already published or distributed prior to the date of termination.

S-3.3 Platform Modifications. Print Focal reserves the right to modify, suspend, or discontinue any aspect of the Platform at any time, including commission structures, features, and functionality, with reasonable prior notice where practicable.

S-4. Term and Termination

S-4.1 Term. These Seller Terms commence on the date of account registration and continue indefinitely until terminated.

S-4.2 Termination by Seller. A Seller may terminate their participation by providing thirty (30) days' written notice and deleting their account. All obligations relating to orders placed prior to termination remain in effect.

S-4.3 Termination by Print Focal. Print Focal may immediately terminate or suspend a Seller's account, with or without notice, for: (a) breach of any material term of these Terms; (b) upload of a Prohibited Design or fraudulent activity; (c) credible intellectual property infringement claims; (d) products causing or reasonably suspected of causing personal injury or property damage; (e) excessive chargebacks or disputes; or (f) any conduct Print Focal determines poses legal, reputational, or safety risks.

S-4.4 Effect of Termination. Upon termination: (a) all Seller access rights cease immediately; (b) Print Focal may remove all Design Files and listings; (c) outstanding commissions will be remitted after a ninety (90) day reserve period for chargebacks and claims; and (d) the Seller remains fully liable for all obligations accrued prior to termination. Termination does not extinguish the Seller's indemnification obligations, product liability exposure, or intellectual property warranties, all of which survive indefinitely.

S-5. Seller Obligations

S-5.1 Design File Standards. Sellers are solely responsible for the quality, accuracy, printability, and safety of all Design Files. All Design Files must be structurally sound, accompanied by accurate product descriptions, include all applicable safety warnings (e.g., small parts, choking hazards, load limits, age restrictions), and comply with all applicable product safety laws.

S-5.2 Accuracy of Listings. All product descriptions, images, tags, and metadata must be accurate and not misleading. Sellers may not make false claims regarding strength, durability, medical utility, food safety, or any other material product characteristic.

S-5.3 Cooperation with Safety Reviews. Sellers agree to cooperate promptly with any safety review initiated by Print Focal, including providing technical documentation, design rationale, and testing data. Print Focal may reject or suspend any listing pending a safety review.

S-5.4 Notification of Defects. If a Seller becomes aware of any defect, hazard, or safety concern associated with a Design File after upload, they must immediately notify Print Focal in writing and request suspension of the relevant listing.

S-5.5 Legal Compliance. Sellers warrant that all Design Files and resulting products comply with all applicable local, state, and federal laws and regulations, including consumer product safety laws and export control regulations.

S-5A. Non-Circumvention

Sellers agree not to directly or indirectly contact, solicit, or transact with any Buyer introduced to the Seller through the Platform for the purpose of conducting any transaction outside of the Platform, whether for the same or similar products or any other goods or services. This prohibition applies during the term of these Terms and for a period of two (2) years following the termination of the Seller's account for any reason.

If a Seller is found to have circumvented the Platform to conduct off-platform transactions with Print Focal Buyers, Print Focal shall be entitled to: (a) immediately terminate the Seller's account; (b) withhold all outstanding Net Payouts; and (c) seek damages equal to the commission revenue Print Focal would have earned on the circumvented transactions, in addition to any other remedies available at law or in equity.

S-5B. Non-Solicitation

During the term of these Seller Terms and for a period of two (2) years following termination for any reason, Sellers agree not to directly or indirectly solicit, recruit, or encourage: (a) any other Seller on the Platform to cease participation or reduce their activity on the Platform; (b) any Print Farm Partner or other vendor of Print Focal to terminate or reduce their relationship with Print Focal; or (c) any employee, contractor, or agent of Print Focal to leave their engagement with Print Focal.

S-5C. Minimum Quality Standards and Performance Thresholds

Print Focal reserves the right to establish and enforce minimum quality standards and performance thresholds for Seller participation on the Platform, including but not limited to minimum average product ratings, maximum acceptable complaint rates, and maximum chargeback or dispute rates. Print Focal may, at its sole discretion, remove individual listings or suspend or terminate a Seller's account if the Seller's products or account performance fall below these thresholds, even in the absence of a specific policy violation.

Print Focal will use reasonable efforts to notify Sellers of performance concerns before taking action, but is not obligated to provide a cure period where Print Focal determines that immediate action is necessary to protect Buyers or the integrity of the Platform.

S-5D. Right to Audit Listings

Print Focal expressly reserves the right, at any time and in its sole discretion, to test-print any Design File listed on the Platform for the purposes of quality verification, safety assessment, intellectual property compliance review, or any other legitimate operational purpose. Print Focal may conduct such audits without prior notice to the Seller. The results of any audit may be used

by Print Focal to approve, modify, suspend, or permanently remove a listing, or to take any enforcement action described in these Terms. The cost of audit prints shall be borne by Print Focal unless the audit reveals a material defect, safety issue, or policy violation, in which case Print Focal may charge audit costs against the Seller's account balance.

S-5E. Design File Escrow and Retention for Active Matters

Notwithstanding Section S-14.3, Print Focal may retain a Seller's Design Files beyond the standard thirty (30) day deletion period in the following circumstances: (a) there is an active customer order, dispute, refund claim, or chargeback involving a product manufactured from the Design File; (b) there is an ongoing safety investigation, regulatory inquiry, or legal proceeding related to the Design File or a product manufactured therefrom; (c) Print Focal has received a valid intellectual property infringement notice related to the Design File and the matter has not been fully resolved; or (d) retention is required by applicable law or court order. Design Files retained under this section will be deleted as soon as the applicable matter is fully resolved. Print Focal will notify the Seller of any extended retention and the reason therefor, except where prohibited by law or court order.

S-6. Prohibited Designs and High-Risk Restrictions

The following categories of Design Files are strictly prohibited on the Platform. This list is illustrative and not exhaustive. Ignorance of these restrictions is not a defense.

S-6.1 Weapons and Weapon Components

- Firearms, frames, receivers, ghost guns, or untraceable firearms.
- High-capacity magazines, bump stocks, auto sears, forced reset triggers, solvent trap kits, or any device designed to modify a firearm's rate of fire or circumvent legal restrictions.
- Suppressors, silencers, or sound-reduction devices for firearms.
- Switchblade knives, gravity knives, butterfly knives (balisongs), brass knuckles, saps, blackjacks, or similar prohibited edged or impact weapons.
- Zip guns, pen guns, or any disguised or improvised firearm or weapon.
- Any item designed to be used with, attached to, or enhance the lethality of a weapon.

S-6.2 Dangerous Devices and Mechanisms

- Explosive devices, incendiary devices, or any component thereof.
- Lock-picking tools, bump keys, or devices designed to bypass security without authorization.
- Skimming devices or any device designed for unauthorized data capture.
- UAV or drone parts specifically designed for weaponization.

S-6.3 Drug Paraphernalia

- Pipes, bowls, bongs, or devices primarily designed for smoking controlled substances.
- Molds, presses, or equipment designed for the manufacture of controlled substances.
- Any item whose primary purpose is the use, manufacture, concealment, or distribution of illegal drugs.

S-6.4 Unsafe Consumer Products

- Electrical enclosures, plugs, outlets, or any product that interfaces with mains electrical systems.
- Pressure vessels or containers designed to hold pressurized gas or liquid.
- Load-bearing structural components for use in construction, vehicles, or machinery where failure could cause injury.
- Helmets, safety harnesses, carabiners, or personal protective equipment (PPE) whose failure could cause serious injury or death.
- Baby or infant items including cribs, teethingers, pacifiers, or any item designed for oral contact by infants.
- Children's toys with small parts (smaller than 1.75 inches in any dimension) marketed to children under 3 years old.
- Items designed for implantation in or prolonged contact with the human body, including dental appliances, prosthetics, or surgical instruments.
- Food contact items including plates, cups, cutlery, or food storage containers.
- Gas masks, respirators, or filtration devices marketed as functional PPE.
- Products intended for use in aviation, aerospace, or life-support systems.
- Candle holders or any product designed for direct contact with open flame that has not been validated for fire safety.

S-6.5 Intellectual Property Infringement

- Replicas or unauthorized reproductions of any product, character, logo, trademark, or creative work protected by intellectual property law.
- Counterfeit items or items designed to deceive consumers about brand origin.
- Designs that reproduce or are substantially derived from a patented invention without a valid license.
- Fan art or derivative works that exceed fair use, particularly those sold commercially without a license.

S-6.6 Harmful, Illegal, or Offensive Content

- Items depicting or celebrating violence, terrorism, genocide, or targeted harm.
- Items incorporating hate symbols or imagery associated with hate groups.
- Sexually explicit, pornographic, or obscene content.
- Items that sexualize or exploit minors in any way.
- Items designed to facilitate stalking, harassment, surveillance, or invasion of privacy.
- Items designed to assist in any illegal activity.

S-6.7 Certification-Required Products

Print Focal does not offer any approval or exception process for products requiring government-issued certifications or mandatory safety standard compliance, including FDA clearance, CPSC certification, FAA authorization, NIOSH approval, DOT compliance, or equivalent regulatory approvals. Such products are strictly prohibited without exception, regardless of whether the Seller claims to hold or intends to obtain any such certification.

S-6.8 Enforcement

Print Focal reserves the right, in its sole and absolute discretion, to determine whether any Design File violates these restrictions, to immediately remove any prohibited listing without

notice, and to permanently ban any Seller who repeatedly or egregiously violates this section. Such determinations are final and are not subject to appeal or arbitration.

S-7. Intellectual Property and Patent Compliance

S-7.1 Seller Warranties. The Seller represents, warrants, and covenants that: (a) they are the sole and exclusive owner of all intellectual property rights in each Design File, or hold a valid commercial license authorizing commercialization; (b) no Design File or product manufactured therefrom infringes any patent, copyright, trademark, trade secret, or other intellectual property right anywhere in the world; (c) they have conducted reasonable due diligence, including patent searches where appropriate; and (d) they have not received any cease-and-desist letter or infringement notice related to any Design File without promptly disclosing it to Print Focal.

S-7.2 IP Infringement Claims. Print Focal complies with the Digital Millennium Copyright Act (DMCA) and analogous frameworks. Upon receipt of a credible infringement notice, Print Focal will remove the disputed listing, notify the Seller, and provide an opportunity to submit a counter-notice. Print Focal is not obligated to restore any listing pending resolution and may permanently remove any listing at its sole discretion. Repeated claims against a Seller will result in immediate and permanent account termination.

S-7.3 Patent Indemnification. The Seller specifically agrees to defend, indemnify, and hold harmless Print Focal and its officers, directors, employees, agents, successors, and assigns from any patent infringement claims, suits, damages, royalties, and legal fees arising from: (a) Print Focal's manufacture of physical products from a Seller's Design File; (b) sale or distribution of any such product; or (c) the Seller's submission of a Design File. This obligation survives termination.

S-7.4 Takedown Policy. Any party who believes a listing infringes their intellectual property rights may submit a written notice to Print Focal's designated agent. Print Focal will process all valid notices promptly in accordance with applicable law.

S-8. Product Safety, Liability, and Design Fault

S-8.1 Seller's Responsibility. The Seller bears sole and full responsibility for ensuring that every Design File produces a product that is safe for its intended and reasonably foreseeable uses. Structural integrity, safety characteristics, and performance of 3D-printed products derive from the underlying Design File.

S-8.2 Design Defects Causing Injury. If a customer suffers personal injury, death, or property damage attributable in whole or in part to a defect in a Seller's Design File, the Seller shall: (a) bear sole legal and financial responsibility; (b) immediately indemnify and hold Print Focal harmless; (c) cooperate fully with Print Focal's investigation; and (d) at Print Focal's request, immediately suspend the relevant listing.

S-8.3 Manufacturing Tolerance Disclaimer. The Seller acknowledges that 3D printing introduces inherent dimensional tolerances and material variations. The Seller is responsible for designing files with sufficient safety margins to account for warping, layer adhesion variability, and material property differences. Print Focal is not liable for failures resulting from designs that do not account for these inherent printing characteristics.

S-8.4 Material Limitations. The Seller is responsible for ensuring designs are appropriate for Print Focal's available materials (PLA, PETG, ABS, Resin, Nylon, and others as disclosed) and for disclosing any material requirements in product listings. Print Focal is not liable for design failures due to the Seller's failure to account for material properties.

S-8.5 Product Recalls. In the event of a product safety issue requiring recall or regulatory action, the Seller shall cooperate fully, bear all recall costs attributable to a design defect, and indemnify Print Focal for all recall-related expenses.

S-8.6 Print Focal's Manufacturing Standard. Print Focal agrees to manufacture products from approved Design Files using commercially reasonable operating procedures and quality controls. Print Focal's liability for manufacturing defects (i.e., defects attributable to Print Focal's printing process alone) is limited to replacement or refund of the print cost, not to exceed the caps in Section S-12.

S-8A. Third-Party Manufacturing Technology, Cloud Processing, and Equipment Disclaimer

S-8A.1 Use of Third-Party Hardware and Software. Print Focal fulfills orders using professional 3D printing hardware and software, which may include equipment and platforms manufactured or operated by third parties, including but not limited to Bambu Lab printers, Bambu Studio slicing software, and OrcaSlicer software. OrcaSlicer is used by Print Focal to analyze Design Files and calculate estimated print costs, material usage, and production times as part of Print Focal's internal pricing and fulfillment workflow. Print Focal reserves the right, at any time and without notice to Sellers or Buyers, to change, supplement, or replace any hardware, software, slicing application, cloud platform, or manufacturing workflow used in the fulfillment of orders. No Seller or Buyer has any right to dictate the specific equipment, software, or technology used to manufacture or fulfill their order.

S-8A.2 Transient Cloud Processing of Design Files. Sellers acknowledge and expressly agree that the fulfillment process may require Design Files to be processed through third-party software systems, including cloud-based slicing platforms such as Bambu Studio or equivalent tools, as well as local slicing applications such as OrcaSlicer, as part of preparing files for physical printing and cost estimation. During this process, Design Files or derived print-ready files (such as G-code) may transiently pass through or be temporarily stored on third-party servers operated by hardware or software vendors. OrcaSlicer operates primarily as a local application and does not transmit Design Files to external servers in normal use; however, Print Focal makes no warranty regarding the data handling of any third-party software. Print Focal takes commercially reasonable steps to minimize unnecessary exposure of Design Files to third-party systems, including using local LAN-based printing modes where operationally feasible, and does not intentionally share Design Files with third-party vendors beyond what is technically required for manufacturing. By uploading a Design File to the Platform, each Seller expressly acknowledges this operational reality and irrevocably waives any claim against Print Focal arising from the transient processing of their Design File through third-party manufacturing software or hardware systems used solely for the purpose of fulfilling customer orders or calculating production costs.

S-8A.3 Third-Party Vendor Terms and Policy Changes. Print Focal's manufacturing operations depend in part on third-party hardware and software vendors whose terms of service, pricing, features, and availability are subject to change at any time and are outside Print Focal's control. Print Focal is not liable to any Seller or Buyer for any disruption, delay, cost increase, feature restriction, or service termination caused by changes to third-party vendor terms, firmware updates, licensing changes, cloud service modifications, or any other action taken by a third-party vendor that affects Print Focal's manufacturing or fulfillment operations. In the event that a third-party vendor's policy changes materially impact Print Focal's ability to fulfill orders, Print Focal will use commercially reasonable efforts to identify and implement alternative manufacturing solutions as promptly as practicable.

S-8A.4 No Warranty Regarding Third-Party Systems. Print Focal makes no representation or warranty regarding the security, reliability, data handling practices, or terms of any third-party hardware or software vendor used in the manufacturing process. Sellers who have concerns about the specific technology used to process their Design Files should contact Print Focal prior to uploading their files. Continued use of the Platform constitutes each Seller's informed consent to the manufacturing practices described in this section.

S-8A.5 Design File Security During Manufacturing. Notwithstanding the transient cloud processing described in Section S-8A.2, Print Focal does not authorize any third-party vendor to retain, copy, commercialize, or otherwise use Seller Design Files beyond what is technically necessary for the immediate manufacturing task. Print Focal's agreements with Print Farm Partners include confidentiality obligations consistent with Section S-14.2. However, Print Focal cannot guarantee the data handling practices of independent third-party hardware or software vendors such as Bambu Lab or Orca Slicer developers, and expressly disclaims any liability for data handling by such vendors beyond Print Focal's direct control. Sellers who require absolute assurance against any third-party cloud contact should notify Print Focal, which will use good-faith efforts to fulfill applicable orders using local-only processing modes where available.

S-9. Fees, Commissions, and Stripe Payouts

S-9.1 Commission Structure. Sellers receive 100% (One Hundred Percent) of the Net Profit of each order fulfilled through the Platform. Net Profit is calculated as the Gross Sales Price less all production minimum fees defined in the Definitions section, including Print Focal's platform and fulfillment fee, manufacturing and materials costs, shipping and packaging costs, Payment Processing Fees, and applicable taxes. Sellers retain all remaining profit after these production minimum fees are deducted. Print Focal will provide an itemized statement of each sale via the Seller portal showing the Gross Sales Price, all production minimum fee deductions, and the resulting Net Profit paid in full to the Seller. Production minimum fees are subject to change at Print Focal's sole discretion, with prior notice via email or Seller portal. Continued use of the Platform after notice constitutes acceptance of any revised fees.

S-9.2 Payment Processing Fee (Stripe). All transactions are processed by Stripe, Inc. A Payment Processing Fee of 3% (Three Percent) of the total transaction amount (including Gross Sales Price, shipping, and applicable taxes) is deducted from proceeds when calculating Net Profit. This fee covers credit card processing, fraud prevention, currency handling, and Stripe gateway costs. Sellers also acknowledge that payouts are subject to Stripe's standard terms, which may include identity verification, compliance holds, and payout restrictions in accordance with Stripe's own policies.

S-9.3 Payout Schedule. Net payouts are remitted to the Seller's Stripe-connected bank account on a bi-weekly (every 14 calendar days) basis, subject to a standard fourteen (14) day clearing period for potential Buyer disputes, returns, or chargebacks. Sellers are solely responsible for maintaining accurate and current banking and Stripe account information. Print Focal is not responsible for delays caused by Stripe, banking institutions, or the Seller's failure to maintain valid payout information.

S-9.4 Reserve Account. Print Focal may maintain a rolling reserve of up to 10% of the Seller's monthly Net Payouts for up to ninety (90) days to cover potential chargebacks, refunds, or indemnification obligations. Reserves will be released following resolution of any outstanding claims.

S-9.5 Taxes. Sellers are solely responsible for determining, collecting, reporting, and remitting all applicable income taxes, sales taxes, value-added taxes, self-employment taxes, and any other taxes arising from their net profit income in their own jurisdiction, except in cases where

Print Focal is legally required to act as a Marketplace Facilitator. Sellers will receive any applicable tax documentation (e.g., IRS Form 1099-K in the United States, or the equivalent form for the Seller's country) automatically and directly from Stripe as required by law. Print Focal does not prepare, review, or supplement tax documentation for any Seller in any country. Sellers agree to indemnify Print Focal against any tax liabilities arising from their failure to comply with applicable tax laws.

S-9.6 Chargebacks and Disputes. If a Buyer initiates a chargeback or payment dispute attributable to a Seller's design quality, product misrepresentation, or safety issues, the Seller shall be fully liable for the chargeback amount plus any administrative fees assessed by Stripe or the payment network. Print Focal may deduct these amounts from current or future Net Payouts.

S-10. Print Focal's Obligations to Sellers

S-10.1 Manufacturing and Fulfillment. Print Focal will manufacture and fulfill products from approved Design Files using commercially reasonable efforts to ensure print quality, using reputable carriers and providing order tracking.

S-10.2 Print Farm Partners. Print Focal may engage authorized Print Farm Partners to assist with manufacturing and fulfillment. All Print Farm Partners are bound by written agreements requiring quality standards, Design File confidentiality, and legal compliance. Print Focal remains the Seller's primary point of contact and retains responsibility for order outcomes.

S-10.3 Marketing Support. Print Focal will provide marketing support at its own expense and discretion, including social media advertising, email campaigns, and platform promotions.

S-10.4 Customer Service. Print Focal will provide frontline customer service to Buyers seven (7) days a week via email. Inquiries requiring Seller-specific design knowledge will be escalated to the Seller, who must respond within forty-eight (48) hours.

S-11. Penalties for Violations

Print Focal may impose penalties for violations of these Terms at its sole discretion, including:

- formal written warnings requiring immediate corrective action;
- immediate removal of specific Design Files or listings;
- temporary or permanent suspension of Seller account access;
- withholding of Net Payouts for up to one hundred eighty (180) days to cover potential liabilities;
- liquidated damages for severe violations, including unauthorized weapon designs, knowing IP infringement, or Design Files causing customer injury;
- referral to appropriate law enforcement or regulatory authorities.

S-12. Limitation of Liability to Sellers

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL PRINT FOCAL BE LIABLE TO THE SELLER FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES, INCLUDING LOSS OF PROFITS, REVENUE, DATA, OR BUSINESS OPPORTUNITY, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, EVEN IF PRINT FOCAL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Print Focal's total aggregate liability to any Seller for all claims arising out of or relating to these Terms shall not exceed the total Net Payouts remitted by Print Focal to that Seller during the six (6) month period immediately preceding the event giving rise to the claim.

NOTHING IN THIS SECTION LIMITS OR CAPS THE SELLER'S INDEMNIFICATION OBLIGATIONS, OR THE SELLER'S LIABILITY FOR PERSONAL INJURY, DEATH, PROPERTY DAMAGE ARISING FROM DESIGN DEFECTS, OR FOR WILLFUL MISCONDUCT, FRAUD, OR VIOLATION OF APPLICABLE LAW.

For the avoidance of doubt, the liability cap in this section does not apply to, and Print Focal expressly preserves its right to seek full actual damages, consequential damages, disgorgement of profits, and any other available remedy against any Seller who: (a) intentionally uploads a Design File knowing it infringes a third party's intellectual property rights; (b) engages in fraud, intentional misrepresentation, or willful misconduct in connection with their use of the Platform; or (c) deliberately circumvents the Platform in violation of Section S-5A. In such cases, Print Focal's damages shall not be limited or capped by any provision of these Terms.

S-13. Indemnification by Seller

The Seller agrees to fully and unconditionally indemnify, defend, and hold harmless Print Focal LLC, its affiliates, members, officers, directors, employees, agents, licensees, successors, and assigns from and against any and all claims, liabilities, damages, losses, costs, and fees (including reasonable attorneys' fees) arising out of or relating to:

- any breach of any representation, warranty, covenant, or obligation under these Terms;
- any claim that a Design File or product manufactured therefrom infringes any intellectual property right of any third party;
- any personal injury, death, or property damage caused by or resulting from any product manufactured from a Seller's Design File;
- any product recall, regulatory action, or government investigation related to a product manufactured from a Seller's Design File;
- the Seller's failure to collect, report, or remit applicable taxes;
- the Seller's violation of any applicable law or third-party rights;
- any fraud, willful misconduct, or gross negligence by the Seller.

Print Focal shall notify the Seller promptly of any claim subject to indemnification. The Seller shall assume defense at their sole expense using counsel reasonably acceptable to Print Focal. The Seller may not settle any claim that imposes any obligation or restriction on Print Focal without Print Focal's prior written consent.

S-14. Data Privacy, Confidentiality, and Design File Protection

S-14.1 Protection of Buyer Data. Sellers who receive any Buyer information for order-related communications must use such data exclusively for fulfillment purposes, implement reasonable security measures, and comply with all applicable data protection laws, including the CCPA and other U.S. privacy statutes and, where the Seller is located outside the United States, any mandatory data protection law of the Seller's own jurisdiction. Sellers are prohibited from using Buyer data for unsolicited marketing or any purpose outside these Terms.

S-14.2 Confidentiality of Design Files. Print Focal acknowledges that Design Files are valuable proprietary assets. Print Focal expressly agrees that Design Files will not be sold, licensed, transferred, disclosed, or shared with any third party in digital form, except: (a) with authorized Print Farm Partners for the sole purpose of manufacturing physical products for

customer orders; and (b) with authorized marketing partners solely for the purpose of manufacturing physical 3D-printed specimens for marketing and promotional use as described in Section S-3.2(c). Any marketing partner receiving physical prints under clause (b) shall not receive the underlying digital Design File and shall be bound by confidentiality obligations consistent with this section. No digital copies, derivatives, or reproductions of Design Files will be distributed or commercialized in digital form.

S-14.3 Deletion of Design Files. Upon deletion of a listing or termination of a Seller's account, Print Focal will permanently delete all associated Design Files from its systems within thirty (30) days, except where retention is required by law, ongoing legal proceedings, or active regulatory investigations. Design Files may be shared with authorized Print Farm Partners solely for manufacturing pending orders in the fulfillment pipeline at the time of deletion.

S-14.4 Seller Analytics Data and Payout Information. Print Focal collects and stores the following categories of Seller data in connection with the operation of the Platform: (a) payout transaction history, including amounts remitted, deduction itemizations, payment dates, and reserve account activity, as displayed in the Seller portal analytics dashboard; and (b) banking and payout account information, including Stripe-connected account identifiers and payout routing details, which are stored and maintained by Stripe, Inc. on Print Focal's behalf. Print Focal retains all Seller analytics data, payout records, and associated account information for the duration of the Seller's account and for a period of five (5) years following termination of the Seller's account, or such longer period as may be required by applicable law, tax regulations, or ongoing legal or regulatory proceedings. Sellers acknowledge and consent to this retention period as a condition of participation on the Platform. Payout and banking data is stored and processed by Stripe in accordance with Stripe's terms of service and privacy policy; Print Focal does not independently store full banking account numbers or payment card details on its own systems. Print Focal is not liable for the data handling, security, or availability of Stripe's systems. Sellers may request access to their own analytics data through the Seller portal at any time during the term of their account. Upon written request following account termination, Print Focal will provide the Seller with a summary of their payout history in a reasonably accessible format, subject to any applicable legal hold or retention obligation.

S-15. Representations, Warranties, and Insurance

S-15.1 Seller Warranties. The Seller warrants that: (a) all Design Files are original works owned exclusively by the Seller or licensed under a valid commercial license; (b) no Design File infringes any third-party intellectual property right; (c) all products produced from Design Files are safe for their intended and reasonably foreseeable uses; (d) all Design Files are lawful and not Prohibited Designs; (e) all information provided to Print Focal is accurate and complete; and (f) the Seller will promptly notify Print Focal of any material change affecting these warranties.

S-15.2 No Insurance Requirement. Print Focal does not require Sellers to maintain insurance as a condition of participation. The absence of an insurance requirement does not limit, reduce, or otherwise affect the Seller's indemnification obligations, product liability exposure, or any other obligation under these Terms. Sellers remain fully and personally liable regardless of whether they carry any insurance.

S-16. Environmental and Hazardous Materials

If any product produced from a Seller's Design File contains, is made from, or is intended to contact hazardous, toxic, or regulated materials, the Seller must disclose this in the product listing and ensure all descriptions and warnings comply with applicable law. The Seller must

indemnify Print Focal for any fines, penalties, or damages resulting from undisclosed hazardous material issues.

S-17. Survival of Seller Obligations

The following provisions survive the expiration or termination of these Seller Terms indefinitely: S-5A (Non-Circumvention), S-5B (Non-Solicitation), S-7 (Intellectual Property and Patent Compliance), S-8 (Product Safety, Liability, and Design Fault), S-8A.2 (Waiver of Claims Arising from Transient Cloud Processing), S-13 (Indemnification), S-14.2 (Confidentiality of Design Files), S-15 (Representations and Warranties), and S-16 (Environmental and Hazardous Materials). The Seller's full liability for any product manufactured and fulfilled from their Design Files — including claims for personal injury, death, property damage, intellectual property infringement, or any other cause of action — survives termination without limitation, regardless of when such claims are brought or discovered.

Acknowledgment and Electronic Acceptance

BY CREATING AN ACCOUNT, UPLOADING ANY DESIGN FILE, OR PLACING ANY ORDER ON THE PRINT FOCAL PLATFORM, YOU ACKNOWLEDGE THAT YOU HAVE READ THESE TERMS OF SERVICE IN THEIR ENTIRETY, UNDERSTAND THEIR CONTENTS, AND AGREE TO BE LEGALLY BOUND BY ALL PROVISIONS APPLICABLE TO YOUR USE OF THE PLATFORM.

Electronic acceptance — whether by checking an agreement box, creating an account, or continuing to use the Platform after notice of updated Terms — carries the full legal force of a handwritten signature under applicable law.
