[Read now] 0 of 0 review helpful Great read By Thomas This book was required as part of graduate level coursework for a program I was in I was skeptical at first that it was just another half hearted business text with some fun stories but ultimately no transferable knowledge I was certainly wrong All of the stories are entertaining and Finkelstein does well tying lessons into packages that would transfer well to most organization Many thanks to the William who told me a lot about this books title:Why Smart Executives Fail: And What You Can Learn from Their Mistakes. Until I was interested to read it. **Why Smart Executives Fail: And What You Can Learn from Their Mistakes** has meaningful

and a valuable lesson.
