[FREE] 5 of 5 review helpful A Great Slice of Scientific History By Timothy Haugh Anyone interested in science and technology can hardly be ignorant of Bell Labs Discoveries like the structure of the transistor and the presence of universal background radiation are key moments in 20th century progress Still the stories behind these leaps forward

are often less well known than they deserve to be Fortunately Mr Gertner has **The Idea Factory: Bell Labs and the Great Age of American Innovation** is my first book that I read. This is a wonderful The Idea Factory: Bell Labs and the Great Age of American Innovation I ever had. It makes a wonderful experience at the beginning when I get used to using my spare time to read books. You also have to feel this wonderful experience.
