[Mobile ebook] 262 of 273 review helpful Please read By Dienne I have been recommending this book far and wide to anyone and everyone who will listen Not necessarily because I agree with everything in the book but because of Reich's simple laymen explanation of the building blocks of the 'free market' — property monopoly contract bankruptcy and enforcement — and how those elements are in fact determined **Saving Capitalism: For the Many, Not the Few** is my first book that I read. This is a wonderful book's title: Saving Capitalism: For the Many, Not

the Few I ever had. It makes a wonderful experience at the beginning when I get used to using my spare time to read books. You also have to feel this wonderful experience.
